

Cars and Coffee, Dover, DE

July 7, 2018

- Cars and Coffee is sponsored by the Porsche Club of America - Delaware Region. Events are held monthly on the first Saturday of the month, 8 AM to 11:00 AM, at the Panera Bread on route US13. Please enjoy this report and the diversity of the participants, and the variety of Porsche and other automobiles owners choose to bring to Cars and Coffee.

Rick Roll

► **Rick Roll** - Rick is pictured here enjoying a late morning snack of lobster on a hoagie roll, arranged through Panera Bakery. He is instrumental in organizing the Dover Cars and Coffee under the umbrella of Porsche Club of America - Delaware Region. He is the prime mover for keeping the Cars and Coffee program going. Rick is a dedicated member and has the Delaware Region of PCA in his best interest.

Bryant (Tee) Bell

Tee grew up in Greenwood Delaware. His father and two brothers were in the art design business as BT Bell & Sons. Today he indulges himself in acrylics and oils producing beautiful pieces. On the left in this photo is an early model of the P-51m Mustang fighting in the sky's over Germany during WW II. On the right is an acrylic rendering of a Porsche 911 Carrera.

- ▶ Tee Bell - Today Tee enjoys his real life 2006 Carrera 997. He loves the car and loves to drive it. Tee is also an active fund raiser. He is raising funds for the purchase of additional new aircraft with modern avionics for the aviation program at Delaware State University in Dover, DE. Tee was recognized for his energetic fund raising supported by the local unit of the "Tuskegee Airman", also affiliated with the University. Tee was given as a gift for his hard work, a cap with an illustration of a P-51 Mustang with a Red Tail, the symbol of the Tuskegee airman.

John Maden

John Maden - John is a resident of Bowers Beach located well south of the canal. He has owned this 993 for 7 years. He is proud to be driving one of the last air cooled engine that Porsche has made. He recalls shopping for cars with his wife 7 years ago. While he was ready to pay for a silver Porsche his wife looked over at this Arena Red car and said “I what that one”. And, that was it, John was the proud owner of a Arena Red 993.

Ian McDermott

- ▶ Ian McDermott- Ian has driven his 2009 Cayman S at lease 2,000 miles but more notably he has stacked up 500 track miles. He says he got a good deal from the Porsche dealer in Newark that included Porsche 19 inch wheels.

Barbara and John Reader

Barbara and John Reader - Barbara and John are fixtures at Delaware Region Porsche Club events. They go anywhere there is Porsche action. They are a charming couple. Always ready to strike up a conversation. They have been married for 48 years and have one daughter. They love their yellow Tesla. This Tesla is the 2008, Version 1.5 with a newer Powertrain resulting in an EPA combined range of 393 km (244 m).

John also is on the Club's Executive Committee and serves as Club Treasurer.

More on Barbara and John's Tesla

- ▶ Barbara and John's ride is a 2008 Tesla Roadster Version 1.5. It's a battery electric vehicle (BEV) sports car that was produced by the electric car firm Tesla Motors (now Tesla, Inc.) in California from 2008 to 2012. The Roadster was the first highway legal serial production all-electric car to use lithium-ion battery cells and the first production all-electric car to travel more than 320 kilometers (200 mi) per charge.^[7] It is also the first production car to be launched into orbit, carried by a Falcon Heavy rocket in a test flight on February 6, 2018. The car is also the first production all-electric car with the top speed of more than 200 km/h. *(Wikipedia)*
