---

---

## INTRODUCTION

The report contains alcohol-related information collected in all twenty-three counties in the State of Wyoming for a period of twelve months (January 1 through December 31, 2021) by the Wyoming Association of Sheriffs and Chiefs of Police. Information was collected from a total of 7,153 persons who were arrested and subsequently detained in a county detention facility. It also includes statistics from 14 persons booked into the VOA Center of Hope in Fremont County, which has recently transitioned into a long-term rehabilitation facility. VOA's data is included separate from Fremont County's data.

This report provides detailed county specific alcohol-related information and is a supplement to the Alcohol and Crime in Wyoming – 2021<sup>1</sup> report.

### ACKNOWLEDGEMENTS

The Association instituted a data-collection process in 2019 whereby the arresting officer or book-in officer was able to submit an electronic reporting form to the Association at the time of the arrest. This replaced the use of hand-filled paper forms that were submitted by postal mail by each detention facility supervisor once a week.

This project was initiated in 2005 and continues to be accomplished due to the committed support of the law enforcement administrators in Wyoming and their generous commitment of agency resources. The day-to-day supervision and submittal of the project reporting forms and the individual efforts of every officer who filled out the reporting forms should be acknowledged as well. Their collective efforts were essential to the overall success of this project.
