SIT-N-SEW (Teens & Adults all levels: never-sewn to advanced)

An independent study class for the student who needs all the basics, as well as the student who sews but needs motivation, updated skills, professional tips, or help with understanding and fitting patterns. Students may sew for themselves, their home or their child. This course may be taken often, selecting a new pattern to learn new skills each time. Bring your machine (we'll teach you how to use it), or use one of ours, and any sewing supplies you may already own.

Students may mix and match any sit-n-sew classes to fit their schedules.
