I understand that if I am selected for this program, I will join Heritage Chorale as a singer during its spring semester, beginning on January 8, 2018 and ending with performances in April, 2018. Rehearsals are Monday evenings in Oak Park with a dress rehearsal Friday of the performance weekend. Two Monday rehearsal absences are permitted. The scholarship award is conditioned upon full participation and successful completion of the spring semester with Heritage Chorale in conformity with attendance and other standards generally applicable to Heritage Chorale members, except dues will be waived. I also understand that this scholarship, if awarded to me, is for my pursuit of music study in the vocal arts, and that payment will be made to the institution(s) or individual(s) with whom I study in 2018. I will supply information and cooperate in securing confirmation concerning my study plans and arrangements.
