Course Castle (Yellow) (71.9 /135)
Weather Sunny and wonderful

Three DGA's and one guest played the Castle course straight from the airport with two caddies. One was great and one was a good looking boy. The good looking boy wacked Ron in the head with a golf bag and the scar is still visible five days later- Ron avoided surgery, but was in a fog for 4 or 5 holes. The weather was very nice for Scotland - mid 60's. Ron Emma nips Des by one shot after staggering in with a 7 on the last hole. The castle course sits on a hill above the town of ST. Andrews and offers great views of the town and the sea.
