## SENIOR BUILDING INSPECTOR – FULL TIME

The Village of Barrington seeks a qualified individual for full-time Senior Building Inspector within the Development Services Department.

Responsibilities include enforcement of Building Codes, Fire Codes, Property Maintenance Codes, Village Ordinances and oversight of the Village's Elevator Inspection program, contract Plumbing Inspector, Building and Fire Inspector, Plan Examiner; and consulting with the public regarding building plans/specifications, providing recommendations on code interpretations as required, and serving on interdepartmental teams. This position reports to the Director of Development Services.

Requirements include the ability to function in a team environment and effectively communicate, both orally and in writing, with the public, Village staff and representatives of other agencies. Requires the ability to work within the Village's WebQA building permit software and Microsoft Office. The successful candidate will have experience as a multi-disciplinary municipal building inspector, property management experience, supervisory capacity, construction or equivalent experience and education in a similar field. I.C.C. Certifications and a valid driver's license are required. Candidates shall supply a list of all I.C.C. Certifications with their application. Continuing education and involvement with professional organizations are expected.

The starting salary range is \$28.85 to \$40.38 per hour, commensurate with experience, plus a benefit program inclusive of participation in the Illinois Municipal Retirement Fund, group health insurance programs, and paid holidays.

Offers of employment are subject to successful completion of background check, drug screen, and physical. Qualified candidates should send employment application, cover letter and resume to:
