

Public Notice

The City of Cisco is replacing all residential and commercial water meters. Please take note of the location of the new meter and the black disk on top of the meter box which is an antenna used to communicate water usage to City Hall. If the meter or antenna become damaged, it will be replaced **ONE TIME ONLY** at no expense. Further damage will result in charges to the customer for the replacement parts or replacement of the meter. Continued damage to your water meter will result in termination of utility service. If you have any questions, please feel free to contact City Hall at 254-442-2111.
