**A Note from Rick:** Markets were a bit stronger at TLA this week, especially in the slaughter cattle and slaughter cow markets. Calves were also stronger again this week. Dairy cattle and feeders were both steady, along with hay prices. I didn't have a chance to mention last week, but wanted to comment on the Draft Horse Auction a few weeks ago and the IHHA Haflinger Auction last Saturday. The Draft Horse Sale was excellent all week long. We had a great offering of horses and prices were very strong from top to bottom. Everything went very smoothly all week long and hats off to the awesome crew here at TLA that put it all together and did all the little things that make this sale a success. The market was more consistent than I've ever seen it. We sold over 50 Belgian Mares for over \$10,000. It's great to see all of the hard work and investment that all the breeders and horse enthusiasts put into the programs pay off!!! The Haflinger Auction followed right along. We had a bigger crowd than ever for this sale and again it showed in prices throughout the day. We are definitely excited to start off 2021 with such a bang in the horse arena and are looking forward to the rest of our schedule here at TLA. Thank you again to all of the consignors, buyers, bidders, vendors, advertisers, employees and spectators. It was truly an amazing week. See you at TLA!
