

SPINNING DRUM

Materials Included:

- 1 cardboard circle
- 2 pieces of string (12" each)
- 2 wooden beads
- Bamboo skewer

Things You Need From Home

- Markers, paints, crayons, stickers

Instructions

1. Color/decorate your cardboard circle on both sides.
2. Poke one hole in each side of the circle, across from each other. (See picture above)
3. Fold your string in half and poke the loop of the string through the hole, then thread the end of the string through the loops and pull it tight. (Use the skewer to help you push it through.)
4. Put your bead onto the two ends of your string and tie a knot. (You might need an adult to help with this!)
5. Use the pointed end of your stick and put it in between the layers of cardboard. This is the handle of your drum.
