**TWO HARBORS DEVELOPMENT FUND**  
The Two Harbors Development Fund was established in 2010. The purpose of the Two Harbors Development Fund includes, but is not limited to, the promotion of economic development within the City of Two Harbors by providing loans or other financial aid to businesses located or to be located within the City of Two Harbors, which businesses are not able to obtain adequate or appropriate financing from other sources.  
The Board of Directors of the Two Harbors Development Fund consists of five members who are appointed by Mayor with the consent of the City Council. Directors must be residents of the City and are appointed for one, two or three-year terms.  
City residents who are interested in serving on the Two Harbors Development Fund Board of Directors should complete an Application to Join a City of Two Harbors Committee or Commission, available at City Hall, 522 1<sup>st</sup> Avenue, or found on the City's website at [www.twoharborsmn.gov](http://www.twoharborsmn.gov). Applications should be submitted to [info@twoharborsmn.gov](mailto:info@twoharborsmn.gov), or to City Hall, 522 1<sup>st</sup> Avenue, Two Harbors, MN 55616.  
Please contact City Hall at (218) 834-5631 if you have any questions about serving on this very important board.

**IMPORTANT NOTICE REGARDING BLASTING IN THE CITY OF TWO HARBORS**  
Property owners in the City of Two Harbors should be aware that blasting will occur in an area near the site of the City's Wastewater Treatment Facility Construction Project beginning November 15, 2021. SX Blasting is the subcontractor who will conduct the blasting on this project.  
During the blasting and drilling process, residents near the site will experience noise and minor ground vibration. SX Blasting uses safe blasting practices and designs its blast to minimize disruption for those living and working in the vicinity of the blasting site. In addition, SX Blasting uses a seismograph to measure and monitor the ground vibration on every blast to ensure that each blast falls within the allowable levels designated by the federal government.  
Before each blast, SX will sound a horn three (3) times. When the blasting operation is completed for that blast, a horn will sound one (1) time. There are usually two blasts each day weather permitting.  
If you have questions regarding the scheduled blasting operation, please contact Alex Doering, Safety Manager, SX Blasting by phone: (262) 229-5419, or email: [Alex@sxblasting.com](mailto:Alex@sxblasting.com).
