## **"Raising the Standards"**

*"In the presence of God and of Christ Jesus, who will judge the living and the dead, and in view of his appearing and his kingdom, I give you this charge: Preach the Word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths." 2 Timothy 4:1-4*

This mandate from the Lord is to ALL who call themselves children of God. The word Christian means to be Christ like, to follow in his foot steps, to carry the cross of Christ to a crooked and perverse generation.

The world is confused because the church acts like the world. The preacher no longer speaks for God, but they speak what the congregation pays them to speak, they tickle the ears of those listening, they compromise the truth so there is no right or wrong. My prayer is that the preacher gets fired up and preaches the uncompromising word of God. My prayer is that the congregation will resist the temptation of being

deceived by the false prophets, but demand that holiness comes back to the pulpit. This is not the time to back up, now is the time to stand, we are on the winning team. We are the children of God!

**Project New Start is a 501 (C) (3) non-profit corporation that is based on the teachings of our Lord Jesus Christ in Matthew 25, which tell us to "clothe the naked, feed the hungry, take in the stranger and visit those who are sick and in prison. We focus on being a "place of recovery where God is changing lives." PNS maintains four recovery homes, four low-income homes for families, a children's home, helping to feed the hungry, and jail ministry. Our loving desire is to help all those in need. New Life Children's Home has had another great and busy summer. They have gone camping at Camp Kia Kima, went swimming, attended VBS as well as many other activities. This month they will be attending a paint class and they are very excited about this as most of our children love to draw and enjoy crafting. The children attend the Cedar Ridge School District and they return back on August 15, 2016, which is right around the corner. The children are not ready for summer to come to an end; however they are very anxious to see their friends. We are beginning to prepare for back to school and will soon be taking the children to get haircuts, school clothes, shoes, as well as necessary supplies. So far three of our children have been placed back home this summer. We were sad to see them leave however; it is such a blessing to see God put a family back together. We would like to thank all of our sponsors and supporters. It is because of you that we are able to make a difference in the lives of these children.

May God Bless You!

My name is Marissa and I am 17 years old and I will be a senior at Cedar Ridge High School this year. I am excited to start school so I can see my friends that I haven't seen since school has been out. This year I will be joining the show team and I will get to show cows. I use to really hate school but now I have classes that I really enjoy. Since this is my senior year I am looking forward to graduating and getting ready to go to college. I am excited about graduating, but I will be sad to leave because I have made so many memories here.
