

## **PASS-THROUGH REQUIREMENT**

By Order of the Court, class members who charged back any registration or decal payments to owner-operators are required to pass through or reimburse the full amount of the tax refunds they receive for such tax payments to those owner-operators, without regard to any claims or setoffs. Carriers have six (6) months to complete the pass-through process, which means that owner-operators should receive refunds from them by January 2018.

If you paid any New York registration or decal fees through a carrier or any other entity between June 1, 2009 and March 8, 2016 and you have not received a refund, you should contact that entity to inquire about the status of your refund. Further information can be found at [www.nytrucktaxrefunds.com](http://www.nytrucktaxrefunds.com) or by calling 855-800-4235.
