Thank you!

We wish to thank our amazing students for their hard work in preparing for tonight's concert. Our winds, brass, and percussion students have prepared this music on their own time, in addition to many preparing for All-Region auditions, finishing up their marching band season, and also preparing music for concert band. We appreciate the hard work of these students to make this a great experience for everyone involved. Thank you parents for allowing music to be an important part of your high school student's life developmentally, musically, socially, and emotionally.

We are fortunate to have a wonderful booster board of parents who have worked so hard this year on uniforms, fundraising, and organization. A special thank you goes out to LeAnn Thomason and her helpers for taking on the organization and sizing of our students' uniforms. It's an enormous job, and these ladies have been outstanding this year! You will see several of our hard-working parents in the lobby after the concert for one last chance to buy tamales. Thank you for supporting our program through your purchase!

An extra special thank you goes out to our band directors, Joe Nunez, Travis Treadwell, Jennifer Teed, and Josh Boychuk. These directors have been a great encouragement to their students in participating in the full orchestra concert, and they have also been on hand for every after school rehearsal to assist. It is great to be a part of such a cohesive fine arts team to create the amazing program you see in front of you!

Thank you to our Boyd theatre staff, Vickie Kirkley, Jonathan Pitzer, and Jacob Layton for assisting with our use of this great auditorium tonight. We also have much appreciation for our administration at Boyd. Dr. Jennifer Peirson, James Bambico, Gonzalo Campos, Robin Clayton, Jared Critchfield, Pam Johnson, Amy Philachack, and Cruz Saenz are the finest in their field and support the orchestra every step of the way. Also thank you to our MISD fine arts director, Dr. Danny White, who is very supportive of our Boyd orchestra.

Thank you also to our Superintendent, Dr. Rick McDaniel, for your support of music in our district. You have helped our Fine Arts programs in MISD continue to grow and thrive!
