

February 10, 2015

To: All Parents of Children Entering Kindergarten

All children entering Kindergarten in the Fall of 2015 must have received the following required immunizations: 4 or more doses of DTaP, 3 or more doses of Polio (the final dose must have been administered on or after the 4th birthday), 2 doses of MMR, 3 doses of Hepatitis B, and 2 doses of Varicella (Chickenpox) if your child has not had the disease. The Hepatitis A vaccine is also recommended at this visit if not previously received.

These vaccines are available at the Van Wert County Health Department by appointment, and we have designated several clinics to help those who will be entering Kindergarten:

April 22, 2015	1:00-6:00pm
May 20, 2015	8:20-11:20am & 1:00-3:40pm
June 17, 2015	1:00-6:00pm
July 15, 2015	8:20-11:20am & 1:00-3:40pm
July 29, 2015	8:20-11:20am & 1:00-3:40pm
August 12, 2015	8:20-11:20am & 1:00-3:40pm
August 26, 2015	1:00-6:00pm

Please call 419-238-0808 ext. 103 or 107 Monday through Friday 8:00am to 4:30pm to schedule an appointment or to check the status of your child's records. The Health Department accepts most commercial insurances, Medicaid, or self payment. Please check our website at www.vanwertcountyhealth.org for updated information.

Do your children a favor now by getting the vaccines they need to protect them from serious illness for a lifetime!
