

VETERANS OF FOREIGN WARS

DEPARTMENT OF WISCONSIN

CHIEF OF STAFF/EXTENSION

AUGUST 2018

As Department Chief of Staff, my responsibility is to assist District Presidents and Chiefs of Staff with their duties in helping all Auxiliaries, with special emphasis on failing and weak Auxiliaries and Districts.

My best effort will be made to mentor, train and help recruit new members. I am encouraging all Auxiliaries to give every new member a “Welcome to Our Auxiliary” bag. District Presidents received a sample one at the July Council of Administration Meeting and would be delighted to share the idea with you.

Bachelor Posts are invited to contact the Department President Laurel Ann, your District President or me, if you are interested in considering having an Auxiliary to aid you in the work you do for veterans and their families; for our youth and work within the communities. Please contact me @ 715-453-1926 and I will be happy to work with you in starting your new Auxiliary.

In future mailings I will be providing you with ideas to help make your Auxiliary a “star studded” Auxiliary to allow you to be healthy and in good working order.

If you are struggling and would like a visit or help in any way, please feel free to contact me or the Department President Laurel Ann. Our phone numbers and e-mails are in your Department Roster.

Information is also available on-line at www.wivfwaux.org or facebook www.facebook.com/wivfwaux .

“Believe—We Can Do It”. We can strengthen our existing Auxiliaries. We can start new Auxiliaries, and we are “REACHING FOR THE STARS FOR VETERANS”!

Vicki Newbauer
Chief of Staff - 2018-2019
