April 13,2016

To the Sherburn and Welcome City Councils,

The department logged 191 calls for service for the month of March. This brought the total for the year to 600 calls. In comparison, we handled 557 calls in 2014 and 558 calls in 2013 for the same reporting period.

Sherburn generated 50 calls for service for the month while Welcome generated 118. Welcome was significantly higher since all the remaining house watch participants live in Welcome which led to the higher figure. Several residents participate in this program and the number increases each year.

Response time average stood at approximately 1 minute and 10 seconds. This is significantly lower than usual, but was skewed slightly by house watch numbers which are virtually instantaneous.

The city-wide clean up tours were conducted at the end of the month and beginning of April. Warning notices were filled out and are being delivered to the residents in each community. The hope is that all issues are resolved by April 30. Any properties that still have issues at that time will be cited for the violations.

I hope April brings warmer weather and we can all finally start enjoying Spring!!

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes", written over a white background.
