

## Hot Chocolate and Marshmallows!

Brr...! It's cold outside!

Let's make some hot chocolate with marshmallows.

The bag has 7 marshmallows.

Roll the dice to find out how many marshmallows you can put in your hot chocolate.

- Record what happens:  $7 - \_\_\_ = \_\_\_$  makes  $\_\_\_ = 7$  left in the bag.
- Prove it!  $7 - 4 = 3$  because  $4 + 3 = 7$
