## Commodore's Report

Happy New year WSYC!

I hope you all had a Merry Christmas and a happy New Year so far. We still have all of our Christmas lights up to help brighten the mood in our neighborhood, and we will take down the colored lights soon but leave all of the white lights up ("winter lights") until March 20<sup>th</sup> – the first day of Spring! Yay!

Thanks to Vice Commodore Rick for setting up the Christmas Lights Contest and those that participated, was fun to see the entries very festive!

We are still having our board and general meetings via Zoom and unfortunately it looks like our normal winter events are not feasible ☐. We are setting up events for Spring and the rest of the year with optimism that we will be in a better place by then. We are putting the cruise/social cards together now and will be mailing them out with the new year book inserts soon. The Social and Cruise Schedules are listed in the Anchorline as well, and will be updated as conditions permit.

Even though most of the cruises are planned and reserved, we are still looking for a new rear commodore. What a great opportunity this is! Most of the cruises are already reserved so you will get to do all of the fun stuff! Please contact me or any other officer or board member if you are interested in jumping on this opportunity. Also, anyone can join the fun and be a cruise captain for the upcoming events this summer.

We will be holding our next general meeting via Zoom this Friday January 15 at 7:00pm. We will send the link soon, so watch your inbox for that.

I hope to see you all in person soon!

## Vice Commodore's Report

Greetings!

I hope all members had a fantastic holiday season. It was a year of adjustments and will never be forgotten. Those big get togethers with families and friends did not happen, and we missed it immensely. We all celebrated the holidays in a new way.

People say they're glad to see 2020 in the rear-view mirror. This year seems the same, however I am sure we can get some normalcy soon. Better times are ahead, and we are all looking forward to it.

Julie and I got a new boat and can't wait to do some "COVID-19" boating! Looking forward to seeing the water again from the view of a boat. Jim and I have been working on the cruise schedule. The club is set for some good times as long as the virus is at bay.

Your officers will do what it takes to get us on track and get the old Masonic Temple rocking again! Hoping for something special when we all return.

The winners of the Christmas decorations are as follows:

First prize for the Griswold's ..... Rob and Dee Selk

Second prize for the Spirit of the Season belongs to Dan and Sue Scott

Third prize is Santa's Choice belonging to Linda and Randy Everts.

The Seattle boat show is still going on! January 28th-31st. Go online to register and see the full lineup of specials and seminars from the comfort of your own home!! Don't Forget, free parking as well!

Looking forward to this coming year,  
Rick Shelton
