1. **Sign-In:** Each member and any invited guest must sign-in before entering the pool.
2. **Identification:** The pool manager or any lifeguard on duty has the right to ask for identification from anyone at the facility
3. **Breaks:** At 10 minutes before every hour, the lifeguards will blow a whistle for a mandatory rest period for all children under the age of 16. **The only children allowed** in the pool at this time must be accompanied by a parent and **age 4 or younger.**
4. **Baby Pool:** No child over the age of 6 is allowed in the baby pool at anytime. This applies to pool rentals, as well. All children in the baby pool area are to be attended by a responsible adult at all times. No disposable diapers are to be worn in either, as they release chemicals that will contaminate the water.
5. **Parents:** No child under the age of 10 is allowed to swim without parental or adult supervision. A parent may appoint a Club Member age 14 or older to supervise their child or children in the parents absence. If the supervising Club Member is between the ages of 14-17, we recommend supervising no more than two children under the age of 10, however, the number of children being supervised is left up to the good judgment of the parents. **It is imperative that** parents of children under the age of 10 closely monitor their child or children. Arm floats, ring buoys, noodles, etc. are not a substitute for close parental supervision. Lifeguards are always on duty, but parents are still responsible for their family.
6. **Objects:** Food, drinks and/or smokeless tobacco are not allowed within five (5) feet of the pool. No glass objects of any type will be allowed inside the Club at anytime. Lotions, etc., must be in plastic containers
7. **Showers/Cuts:** All members are requested to shower before entering the pool. Any person with cuts, blisters, and/or open sores should refrain from use of the pool until healed.
8. **Safety:** For the safety and enjoyment of everyone, the following **will not be permitted:** running, spitting, horseplay, pushing others in the pool or on the deck, dunking, wrestling, large floats and water cannons. No ball throwing on the deck.
9. **Zero Tolerance:** Pinebrook has zero tolerance for bullying and failure to comply with pool rules. We have implemented a 3 strikes rule. This rule applies for regular pool hours and swim team practices. If an incident report is completed on a child 3 times, they will not be allowed at the pool the rest of the season. Parents will be notified by either the pool manager, lifeguards, swim team coaches or board members.
10. **Diving Board:** Only one (1) person will be permitted on the Diving Board at a time. Diving is permitted only after the previous diver has surfaced and left the diving area. It is the responsibility of each diver to assure that the area is clear before diving.
11. **Life Guards:** Everyone should stay clear of the lifeguard chairs and refrain from distracting the lifeguards.
12. **Authority:** The manager and lifeguards are in control of the pool area and have the authority to enforce all rules.
13. **Guest Policy:** Members may bring a guest(s) any time the Club is open to the general membership for a fee of \$5.00 per person per visit. This fee may be waived by purchasing a season-long guest pass for \$100.00. A guest pass may be purchased at any time, however, a member cannot apply previous single day guest pass visits towards the purchase of a season Guest Pass. A guest can only use the Club five (5) times in one (1) year. There is a limit of five (5) guests per visit per Guest Pass holder. If you own a Guest Pass and want to bring in a guest over the limit of five (5), you may pay an additional \$5.00.

14. **Chaperone Passes:** These are approved and issued by the Board of Directors. This pass is for an individual caregiver of a member's child(ren). The pass does not include the caregiver's family or friends and can only be used when in the company of a member's child(ren). The fee for the season pass is \$50.00.
15. **NO DIVING:** There are "No Diving" markers on the pool border. Pay attention. No Diving is allowed in shallow water.
