

Dear DCS Families:

What a blessing the fall semester has been! We have had some memorable times as a school family. It is hard to believe that we are now preparing to enter our tenth school year! We are already beginning to plan some fun things for our ten year anniversary!

The future of Discovery Christian School is bright! We are currently at our highest enrollment in the history of our school. We continue to evolve and meet the needs of the leaders of tomorrow. Our campus developments and improvements are ongoing and progressing. We are so thankful for the Lord's provision this fall and are excited about all that God is doing as we are preparing for a strong second semester. At the same time, we are also planning for the 2020-2021 school year.

The first step in this process is to offer our current families the opportunity to apply for the re-enrollment of their children. This allows you to secure your student's place on next year's class rolls, upon the acceptance of your child's application for re-enrollment. This protected period will be offered from January 13 through January 31. After this time, any open seats in a class that have not been filled by a returning family will be assigned to new students who have successfully completed the application process.

To complete re-registration for the 2020-2021 school year, simply complete the Returning Student Registration form and return it to the school office along with your \$50 registration fee. Please note that your child is not guaranteed for the 2020-2021 school year until the office has received the form and the fee. Beginning February 3rd, the registration fee will increase to \$100.

The school board has agreed to tuition remaining the same for the 2020-2021 school year. The only increase is to the student fee for 8th-12th grade students due to the large number of credit courses required for those students. The student fees for K4-7th grade is \$450 and for 8th-12th grade is \$550. One half of the student fee is due on March 16th and the other half is due on May 4th. After each due date, an additional \$50 will be added to the student fee.

We are excited about finishing this school year strong and look forward to continuing to strive for excellence in all that we do! On behalf of our faculty, staff, and administration, thank you for believing in our school and entrusting your child's education and development to our team.

Sincerely,

Wendi Teten and Michele Thames, Co-Heads of School
Discovery Christian School

RETURNING Student Registration ~ 2020-2021

Grade Entering
