# Fund Descriptions

**LES CHENEAUX COMMUNITY FOUNDATION:** Our mission is to support a broad range of community projects which enhance the cultural, historical, social, environmental, and educational assets of the Les Cheneaux area. Through charitable contributions, to endowed and unendowed funds, we are able to review and award grants bi-annually based on requests. Your contribution will support many of the organizations listed below as well as other community projects. For more information, visit our webpage at [www.lescheneauxcommunityfoundation.org](http://www.lescheneauxcommunityfoundation.org) or like us on Facebook.

**LES CHENEAUX AMBULANCE AUXILIARY:** The mission of the LCAA is to support the volunteer emergency medical services of the Les Cheneaux area and help to offset costs above what Clark Township can allocate. The Auxiliary has upgraded equipment and training to provide better service to the community. For more information email Kathy Kasper at [lescheneauxambulanceauxiliary@gmail.com](mailto:lescheneauxambulanceauxiliary@gmail.com)

**LES CHENEAUX ARTS COUNCIL:** The Les Cheneaux Arts Council began in 1993 by a group of local artists and friends dedicated to the promotion, education and participation in the arts of the Les Cheneaux community. We have an art center in Cedarville provided by a generous benefactor that is used to offer a variety of art classes in the summer months. Your contribution helps to provide scholarships to local high school art students who wish to continue their study of the arts in college. Donations have been given to support the Cedarville High School Art and Music programs as well as the Avery Arts Center in Hessel. For more information contact Carol Hubbard at 248-885-1587 or visit our website, [lescheneauxartscouncil.org](http://lescheneauxartscouncil.org).

**LES CHENEAUX CULINARY SCHOOL:** Since its arrival in downtown Hessel, the Les Cheneaux Culinary School has made its mark on the world of regional, farm-to-table cuisine. It has also become an economic driver in our community, not only attracting diners from all over the world to the summer restaurant, but students to its unique and intimate educational experience in the fall and winter months. The school is having a growing impact on the local farms and food gatherers in the region, sourcing most of its ingredients from producers the director has personally met and cultivated relationships with. Do visit our webpage at [www.lcculinary.org](http://www.lcculinary.org)

**GREAT LAKES BOAT BUILDING SCHOOL:** Our mission is to prepare skilled craftsmen and technicians for careers in today's maritime industry. We offer classes in Traditional and Contemporary Wooden Boat Building as well as coursework in Marine Finishes, Marine Systems, Restoration, and Propulsion Systems. Thank you for your support! For more information on the school or additional ways you can provide support, please call Ryan Hinnen at 906-484-1081 or visit [www.glbbs.edu](http://www.glbbs.edu).

**LES CHENEAUX EDUCATION FOUNDATION:** Our mission is to provide enhanced educational and cultural opportunities for students and residents of the Les Cheneaux area. Over the past twenty plus years we have made grants totaling over \$120,000. Grants include student and teacher scholarships, field trips to cultural events, the purchase of equipment and educational materials for the school and sponsorship of the Summer Theater Program. Your contribution will be used to fund grants for education of our children and the cultural enrichment of our community. For more information write to the Les Cheneaux Education Foundation at P.O. Box 132, Cedarville, MI 49719.

**CLARK TOWNSHIP SNOWS HERITAGE PARK:** Our mission is to continue the development of the Snows Heritage Park. With your contributions over the years we have been able to build an amazing recreational asset for our community that includes two baseball fields, two tennis courts, a playground, horseshoe pits, and an open side pavilion with outdoor grill. We have plans to keep adding value to our park with goals of completing a walking trail behind the ball fields, basketball courts and a restroom building. We will continue to maintain and keep the investments you have in our facility looking and functioning to the highest standard. For more information, please visit the Clark Township website at [www.clarktpw.org](http://www.clarktpw.org), the Township Treasurer at 484-2672, or one of the committee members Steve Autore, Chuck DeNoyer, or Linda Sherlund.

**FRIENDS OF LES CHENEAUX COMMUNITY LIBRARY:** Friends of Les Cheneaux Community Library: The Mission of the Friends of the Les Cheneaux Community Library is to operate and maintain the library facility and grounds in addition to providing programming. Your ASK contribution will make you a "Friend of Friends" member, while ensuring the ongoing maintenance of a safe and attractive library facility to serve the Les Cheneaux Community. For more information visit our Facebook page, the library website at [lclib.weebly.com](http://lclib.weebly.com) or write to us at P.O. Box 332, Hessel, Michigan 49745.

**LES CHENEAUX WATERSHED COUNCIL:** The Council is committed to promoting the conservation, education, protection, restoration and sustainability of our water-based resources within the Les Cheneaux Watershed. The Council works with community members and community organizations to maintain the recreational quality of local waters. Our Council will continue to monitor invasive species and events or issues that may contribute to degradation of our pristine aquatic environment. Your contribution will be used to support these and associated environmental projects. For more information please visit our website: [www.lescheneauxwatershed.org](http://www.lescheneauxwatershed.org)
