### **APPROVAL OF MINUTES**

On a motion by Swann Fredrickson, seconded by Rick Nye, and carried unanimously the Board approved the June 15, 2016 Board of Directors meeting minutes.

### POOL CONTRACT

Aharon Weidner reported that the pool contract approved at the April meeting was incomplete. It didn't include pricing for servicing the spa. The total for monthly service including pool and spa maintenance and daily chemical checks is \$600.

On a motion by Creighton Phillips, seconded by Rick Nye, and carried unanimously the Board approved the revised pool contract with Pool Doctor with a total monthly cost of \$600.

### LANDSCAPING PROPOSAL

The Board discussed a proposal from Greenscapes to remove the old existing junipers at the front entry island and replace them with Emerald Blanket Carissa. The cost for proposal #90563 from Greenscapes is \$738.09.

On a motion by Paul Dickensheets, seconded by Rick Nye, and carried unanimously the Board approved proposal #90563 from Greenscapes with a total cost of \$738.09.

### **IRRIGATION FILTER**

Ralph Scearce moved to rescind the motion approved at the June 15, 2016 meeting approving the purchase of an Amiad irrigation filter. The motion was seconded by Creighton Phillips and carried unanimously.

Ralph Scearce noted that no money was spent on the irrigation filter approved at the June 15, 2016 meeting.

Swann Fredrickson reported that John Knoche had pointed out some issues with the irrigation filter approved at the June meeting. She said that Ralph Scearce, Creighton Phillips, Justin Lucas and she met with Paul Kemp, Irrigation Manager for the Pelican Landing CDDs. The meeting and subsequent questions provided them with a good understanding of how irrigation water is delivered to the community and related topics. A detailed summary of the information gathered is available on the Baycrest website and at the pool. One of the recent major issues causing problems is bryozoan (moss

animals) in the lines along with snail larvae. The bryozoa are similar to algae and clog the irrigation filter which can reduce water pressure and cause more issues with the irrigation system as a whole. The CDD utilizes a clean-out at the end of their distribution line which helps flush snails and bryozoa from their distribution lines. Baycrest doesn't have a clean-out valve.

The recommendation from Greenscapes is to install a smaller mesh filter to prevent most bryozoan and snail larvae from entering Baycrest's irrigation system. Because a smaller filter needs to be cleaned more often than the current filter it was recommended that the proposed filter system be an automatic filter which can clean itself on a schedule without manual intervention. Greenscapes also recommended installing a clean-out valve.

Ralph Scearce reported meeting with representatives from Bradford Landscape Solutions and Hoover Pumping Systems. He added that Dusty Fontaine from Greenscapes had also met with both contractors. Dusty recommended the filter system proposed by Hoover Pumping Systems with a total cost of \$8,886.94. He based his recommendation on his experience with the filter and the level of service provided by the contractor.

There was a discussion about the payback period for the Association. Repair costs for some issues such as stuck pop-up heads would be reduced but many of the specific cost savings would be difficult to estimate in advance. Rick Nye noted that the Association had about \$10,000 in its capital contribution account which could be used to pay for the system. Creighton Phillips added that in addition to reducing service calls, he believed making the system more reliable would reduce the frustration factor associated with irrigation problems and that would be a benefit to all residents.

John Knoche noted that he would like to have more time to evaluate proposals and gain a better understanding of how the various systems operate.

Ralph Scearce moved to accept the proposal from Hoover Pumping Systems (#SPN 87251) with a total cost of \$8,886.94. The motion was seconded by Creighton Phillips and carried by a vote of six to one with all Board members in favor with the exception John Knoche who was opposed.

### **OTHER BUSINESS**

### **Next Meeting**

The next meeting will be September 21, 2016.

With no further business, and on a motion by Creighton Phillips, seconded by Rick Nye, and carried unanimously the meeting was adjourned at 5:57P.M.
