Greetings MOCA Brothers and Sisters,

HAPPY SEPTEMBER. It is definitely time to start working on our hospital work for the new year. I am waiting to get the information we need and our goals for the program. We are completing some transfer work from officers to new officers.

As of today, I have received ONE hospital report. Please let me know who your chairman is and if you need the blank reporting form (excel spreadsheet), so I can email it to them. Fill it out each month and return to be by the 25th of every month. Let's try to get one report from each auxiliary this month. For AUGUST, I can only accept June and July.

I take your reports and simply take the numbers off your sheets to create my report. I then attach the report that you send me for Sheila to review and make sure the numbers are correct. Make sure you **REPORT REPORT REPORT!** Your auxiliary hospital chairman needs to be your point of contact and the person who you report your hours to.

Remember reports are due no later than the 25th of each month.

It is time to submit your year-end reports. Please mail/email them to me at ztf@aol.com

****REMEMBER our number one duty as MOCA members is hospital work. It is important to volunteer and report. We are the hospital workers for our organization. The patients need us more now than ever.**

If you have questions, please feel free to call me or email me at (505) 235-1237 ztf@aol.com; Make sure to put MOCA GRAND in the tagline, so I do not think it is junk mail.

God Bless our Homebound and Hospitalized Patients,

Shirlee Frias
