

Range Updates

The Pistol / chicken coop:

The remodel is complete and those ranges are open to all members and a guest.
(7 yards, 10 yards, 50 feet and 25 yards)

Rifle Ranges:

50 and 100 yard rifle ranges:

Are currently open to all members and a guest (1).

The rules are the same, any member may use either range and are allowed ONE (1) guest at either range.

200 yard rifle range

Is open to any member who has taken the and completed the;

Safety Orientation Safety briefing, and

Demonstrated their ability to safely handle their firearm.

Upon completion of these two steps, your membership card would have been stamped and signed indicating you had been cleared to use the 200 yard range.

If your membership has NOT been stamped, dated and sign, please do not use the 200 yard rifle range!

(If any RSO request to confirm the stamp on your membership card, please comply)

IF the range is open, any member who qualified may use it.

If the range is closed, it is CLOSED.

These steps, while appearing to be burdensome, are being done to promote safety not only for the membership but for our new neighbors to the north of the club property.

The 200 yard range is for MEMBERS ONLY

Guest are NOT authorized to use the 200 yard range.
