Dear Jim and Susan,

University of
the Pacific
School of Dentistry

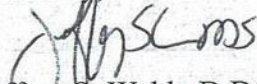

This is to let you know that I would like to terminate your services as of 30 days from the receipt of this letter. After working with you, I am now confident that my staff and I can work together to further advance my practice. You have provided us with valuable information that will continue to be highly useful to my practice, and it has been energizing to work with you.

American
Dental Association

I will plan on our November meeting being our final and "wrap-up" meeting. Thank you for your valuable consultation. I look forward to calling upon you in the future when the need arises. Take Care.
