ARTICLE VIII- TEAM ROPING G. State Finals:

1. The top fifteen (15) headers and the top fifteen (15) heelers in each division will rope with each other at the State Finals roping. Ropers can only enter once unless they are in the top fifteen (15) of the year end standings on each side (Heading & Heeling) after the final regular season roping prior to the State Finals roping. Finals positions cannot be moved from one side (Header or Heeler) to the other. If a member in the top fifteen (15) does not enter the State Finals roping by the close of entries or is not qualified (competed in four (4) or more M.R.A. - 14 - roping's for the current year) for the State Finals these positions will be filled by qualified members starting with position sixteen (16) and going down until fifteen (15) positions are filled for the finals.
2. A member must compete in at least four (4) M.R.A. Approved jackpots in the current year to be eligible (qualified) for State Finals.
3. The Board of Directors will determine the specific format of the State Finals Roping.
4. The amount of added money the M.R.A. adds per division to the State Finals will be based on the amount of run money collected throughout the year in that division. A minimum of 25% of the total run money collected in that division will be added to the State Finals roping.
5. To obtain a State Finals position at any jackpot there must be two (2) or more teams entered. 6. The State Finals roping format will be determined by the divisions Year End Championships are awarded in.
