

## ANTI-SEX TRAFFICKING SPEAKER'S BUREAU

Florida leads the nation as number three in incidents of reported trafficking. South Florida is very vulnerable because of our good climate for runaways and many large entertainment venues that provide visitors to our area. Traffickers prey on young girls and boys locally because they can find them in malls and gathering places for teens. It is our mission to make all of us aware of how traffickers work so that we can educate and protect our children.

I want to thank Arlene Davidson and Susan Kanoff on their presentations at the Democratic Club of Hollywood and Oakland Park. Both women are very dedicated and give generously of their time.

Our next presentation is April 10<sup>th</sup> at 9:30 am for Cascades ORT. Anyone interested in observing our presentation should call or email me.

Following this, we are doing a presentation on May 2<sup>nd</sup> at 7:00 PM for Congregation B'nai Israel in Boca. All are welcome to attend.

Please send me any opportunities to speak at places that you think would like to hear our program.

## CHAPSTICK PROJECT

You are all cordially invited to our initial South Palm Beach County Chapstick meeting to introduce and plan our new outreach program, working in conjunction with the Place of Hope's new South County campaign. The meeting will take place on Tuesday morning, April 17th, 10 AM, at the Place of Hope, [21441 Boca Rio Road](#). Boca Rio Road is just south of Glades Road, parallel to the Turnpike in Boca Raton.

This new program will work with local hotels and motels to distribute chapsticks labeled so as to advise anyone being forced to strip or perform sex acts to call the National Human Trafficking Hotline phone number. We will also work to identify missing and exploited children possibly passing through the area. We have successfully been doing this outreach in West Palm and are now beginning this Boca chapter. The outreach will take place monthly. We need volunteers interested in getting involved in various activities centering on this important outreach.

So please, if you can attend this initial meeting, and would like to be involved, let me know. We hope to see you there on the 17th.

Best,

*Arlene Davidson*

## HOLIDAY ON WHEELS

Dear Friends and Friends of Friends and Families of the MITZVAH MAMMA CORPS, Hoping you all have a zeissen, joyous Pesach. We did it again!!! We made that happen, joyous Pesachs for dozens of residents in six different assisted living facilities from Boca to Boynton. Our leaders are extraordinary in their competence, compassion and reliability. Kudos to Arlene Davidson, who led our first ever at Grand Villa West in Delray, Roberta Katz worked her magic on the keyboard at Boynton Health, Shelly Block wonderfully brought the holiday to her friends at the Atrium. (She's a regular there.) Judy Giller pulled double duty, first at Sonata where she filled in for Shelly Gross who was representing us all in Washington, and at Phoenix the following day. I closed the season at Brookdale Boynton.

For those of you who have not joined us, please ask the names above and below to tell you about the experience. It will warm your heart and truly give you immediate gratification. Look for notices in August about plans for Rosh Hashanah presentations and, if you aren't sure you want to lead or volunteer, please come and see what we do. I think you will be inspired to join us.
