7:30 PM @ Aero Club, Bowman Field
Next FunFly/Swap Meet: Spring 2019

AMA CHARTER #895

The Bowman Filed Heritage event was a great success. Gary notes that we have a few lessons learned. As we gear up for next year's 2019 100 Year Heritage event, our club will ensure that we have a bigger model display with more impressive and diverse set of models, including cars. The club will add to the booth support staff as well. More to look forward to in 2019.

The car track continues to gain in popularity as some days there at least 8+ cars on the track at any one time. The field crew has made a few upgrades and the wear and tear on the sod proves the clubs participation in the car racing. Enjoy the car and track while the weather continues to stay windy.

The car drivers are discussing plans for future improvements which will be done in the fall and winter months.

REMINDER: The Club is accepting the 2019 dues, which have been increased. They are now \$60 renewal, \$70 new member and \$45 for new member mid-year.

It's election time. All committee positions and three (3) board member positions are open.

- As of the November meeting all officers are returning in 2019, running unopposed.
- There were three volunteers to run for the Board vacant position that roll off in 2019. They are running unopposed.
- A motion was made to request Board's approval to forgo the ballot process as called out by the Club bylaws. Since all running mates are unopposed it seemed wasteful to send out one sided ballots for a cost of \$75 just to follow the process when the outcome will be obvious. The Board will provide the governance approval to adopt the alteration in procedure for this year's elections. Write in voted can be made at the December 4th Club meeting/Christmas party.

Gary plans to follow up with Patrick Maloney of the Civil Air Patrol for some of our members to attend their meeting sometime early next year. They meet on Thursday nights.

Reminder, the 2018 Christmas party will be held on December 4th the first Tuesday of the month at the Aero Club at Bowman Field. As was done last year the party will be a pot luck get together. Bring your significant other, and kids. The Party starts at 7:30, set up at 7:00. We need side dishes, appetizers and desserts. The club will furnish the meat and drinks like last year. Let's have a great turn out!
