## Photograph Permission Form

The Country Playhouse Preschool strives to highlight the many positive accomplishments of our students. To do this, photographs and video images are sometimes taken of students in individual and group settings during the school day and during outside activities. These images may be used on the school website, in printed materials, promotional materials, classroom projects, on our social media pages, and in monthly newsletters. We wish to notify you of this possibility and request that the Photo Permission Form be completed for each child indicating your preference below. Recognizing the sensitivity to children's photos on the web, we've worded the paragraph below carefully.

---

I hereby give The Country Playhouse Preschool, and its affiliates, permission to use my child's photograph on the company websites, in any of its printed materials, promotional materials, classroom projects, social media pages, and in monthly newsletters for the duration of my child's enrollment. I understand that photographs of my child will be used only for school-related activities. I understand that I will not be compensated for the use of my child's photograph. I reserve the right to request that any photos of my child be taken off of the website at any time should I deem it necessary.
