# EolaTennisAcademy

September 2016

[www.eolatennis.com](http://www.eolatennis.com)

## IRON MAN John Mittvick signed with JUDSON University Men's Tennis Team

Mittvick will be rejoining the Judson Eagles while studying Exercise and Sport Science with concentration on studying Sport Administration. He will still be teaching at Eola Tennis Academy as he continues with his studies. We are looking forward to following his college tennis career as he balances both his studies as well as teaching tennis here at ETA.

## NEW Eola Tennis Training Center to be ready at the beginning of 2017

New 4 tennis court facility will be located on the intersection of Hafenrichter and Eola Road in Aurora. Our goal is to establish a College Tennis Preparatory Academy that will prepare our players for recruitment by NCAA 1,2 and 3 Division College Tennis Teams. We will have special training programs that start as young as age 5 as well as for classes adults and juniors.

Good Luck to our ETA High School Varsity Players

Level 1 Summer Closed B12  
Champion  
ETA Michael Choi

Chicago District Qualifier  
B12 Champion  
ETA Michael Choi

Level 1 Summer Closed

Champion  
ETA Michael Choi

## Aom Sirinit, New ETA Assistant Manager/ Billing Manager

Please welcome Aom Sirinit to the ETA Team! Please contact Aom with any program or billing questions at [aomeolatennis@gmail.com](mailto:aomeolatennis@gmail.com)

## ETA 2016 Fall Transition Programs

ETA will be offering 3 transition locations while we wait for the Aurora Eola Tennis Facility to open at the beginning of 2017.

We will be offering classes at Hanover Center Courts, Butterfield Park District and Wheaton County Fairground Tennis Courts. Thank you for your patience during this transition period.

## Coach Gus' Tip of the Day

Hit, analyze and learn. Swinging your racquet is not practice. Learn from every experience and every shot.

ETA Players representing Chicago District Tennis Association at the prestigious 2016 Midwest Team Cup and Marian Baird Cup Tournaments

Thank you everyone for an awesome summer! I love working with all of my players and to see them mature into hard working student athletes. I hope to continue this journey with all of you at our new ETA facility in 2017 after our fall transition . Please join me in my pursuit to build an elite tennis training center in the midwest that will have a system of training that will produce nationally ranked tennis players year after year. Let's do this together!
