

Cérémonie

Tea Blends & Herbal Infusions

About Us

Cérémonie Tea lies at the modern crossroads of the ancient spice route.

We travel the globe to collect our tea ingredients: whole tea leaves from the finest tea gardens, along with spices, herbs, and flowers, which combine together to create our classic tea and herbal flavors.

We return to the Galilee, having gained friendship, understanding and hospitality from leaf and spice farmers and tea experts around the globe, and blend the best flavors and aromas of the East and West to share with you.

No other beverage is as tied to ritual as tea. At Cérémonie, we honor those rituals and the cérémonies of the past with our modern interpretation of the traditional tea culture.

Established in 2003, Cérémonie has redefined the Israeli tea market by introducing whole leaf teas, wrapped in eye-catching designs. Cérémonie is now expanding worldwide to enable customers around the globe to enjoy our gourmet tea experience.
