

A close-up photograph of a baby with dark hair and blue eyes, looking to the left. The baby is wearing a white ruffled top and has a teal pacifier in their mouth. A giraffe-shaped stuffed toy is positioned in front of the baby's mouth. The background is a bright window with white curtains. The entire image is framed by a light teal border with scattered colorful confetti (yellow, orange, blue, green).

CUE THE CONFETTI,

WubbaNub celebrates 20 years!

the WUBBANUB STORY

Years ago, my family embarked on our first vacation. With my newborn son, Bret, in tow, we looked forward to a relaxing week away from home. Baby Bret, however, was unable to relax without the comfort of his beloved pacifier. His pacifier was difficult for his tiny hands to grasp, and he dropped it often. Faced with a tearful child, I desperately needed a way to ensure that he was able to keep his pacifier nearby without my help. His favorite soft plush toy caught my eye, and I grabbed the hotel sewing kit. In a moment of inspiration, I sewed his pacifier onto his plush, and the first WubbaNub was born.

With the encouragement of my family, I turned my idea into a business. Throughout the years, support from parents and hospital NICUs has helped us grow tremendously. WubbaNubs can now be found in thousands of boutiques, specialty shops, and major retailers across the globe.

Our core philosophy at WubbaNub is simple: to create products that we would feel safe giving to our own children. A WubbaNub is often one of a baby's first friends in life, and we are humbled to become a part of your family.

Tons of Love, *Carla Schneider*
