

**SCHOOL BOARD OF LEVY COUNTY**  
**Summer Feeding Program Sites**

Nutritionally balanced meals will be provided to all children regardless of race, color, sex, disability, age or national origin during summer vacation when school breakfasts and lunches are not available. **All children, 18 years old and younger, if an open site, are eligible for meals at no charge, and there will be no discrimination in the course of the meal service.** The programs are only approved for geographical areas of need where 50 percent or more of the children qualify for free and reduced-price meals during the school year.

Please note the following information:
