Hi Tasha,

I am so sorry I didn't get back to you sooner. Here are 2 options Heidi and I came up with for going forward, including estimated dates and dollar amounts.

Option 1

Keep original 3 components (financial analysis, financial modeling with budget projections, business plan) and add Board operations/orientation and financial policies. Financial analysis is complete, Board operations/orientation and financial policies are slated to happen next. Cost difference is an additional \$4,000. The timeline would be Board work for 2 months (August & September), financial modeling for 3 months (October-December), and business plan for 3 months (January – March 2023).

Option 2

Keep financial analysis & Financial modeling, add Board operations/orientation, and not do the business plan. This would be at no cost difference to the original contract amount.

The timeline would be Board work for 2 months (August & September), financial modeling for 3 months (October-December).

Please let me know which you would like and I will prepare an amendment document with complete details.

DHLW Early Childhood Area

Des Moines, Henry, Louisa, Washington

Administrative Update August 2022

ECI Update

The ECI office was moved from the Department of Management to the Department of Human Services in February. ECI will be part of the transition of DHS to HHS with expected legislative changes to Chapter 256i during the 2023 General Assembly. A revised lowa Dept of Health and Human Services (HHS) organizational chart was released in July 2022. ECI has been placed in *Family Well-Being and Protection*, under the subcategory of *Family Services*.

Association of ECI Area Boards and Advocates

The Association of Early Childhood Iowa Area Boards and Advocates will hold their annual members meeting on November 10th 10am-3pm at the Holiday Inn (Airport) in Des Moines. The conference includes a guest speaker and will provide local ECI areas and advocates with Association successes and challenges, legislative priorities/talking points, future plans, networking opportunities and quality training. There is no cost to attend the conference.

PBIS Pilot Project

The Positive Behavior Intervention Support (PBIS) project is a regional effort to create a training and consultation system for childcare professionals. The PBIS Steering Committee and Henry Co ISU Extension conducted interviews on August 1st for 3 fulltime positions to cover the 10-county project. Two positions have been filled and will begin work in September. A 3rd position is still being advertised with a focus on seeking candidates in the Fairfield or Muscatine areas. The Steering Committee met with the ECI State office and EC-PBIS Leadership Team on August 9th to discuss how the local project will align with state efforts and maintain communications between all partners working with childcare sites.

Childcare

- The Columbus Community Childcare Center has entered into an agreement with 4Cs of Iowa City to manage the center. 4Cs is currently assessing the center's fiscal and staffing needs to determine next steps and extended management agreements. Tasha Beghtol met with 4Cs on August 2nd and shared information about previous DHLW supports to the center and current options available.
- The Mt Pleasant Community Childcare Center completed a 2nd face to face training with First Children's Finance on August 3rd. The childcare board reviewed a final report from FCF and made plans for additional meetings and tasks to be completed. Center lead teachers completed the 1st of 2 ASQ trainings with Roberta Sloat on August 11th.
- The Shared Services Project is a state level plan working on strategies that will help childcare
 providers. Strategies include financial consultants, automated management systems, and
 service hubs. An RFP is estimated to be released in September and will be open to local and/or
 regional entities seeking to provide a shared services hub.

Contracts & DHLW Office updates

- Yearend reports were due on July 20th 2022. 13/14 contractors submitted reports on time. There was no report received from the RVAP training contract.
- Lee County Health Department has advertised and interviewed candidates for the expanded HOPES services in Des Moines County. Due to a low number of applicants and feedback that indicated the pay scale was not sufficient, the program will revisit the budget and try another round of job postings.
- ICAP Insurance offers up to \$1000 each year to members toward the purchase of risk mitigation items. The DHLW office received \$451.91 to cover the cost of a new adjustable sit-stand desk. The balance of grant funds may still be applied through December.
- The Regional EC Plan is currently being prepared for submission to the state ECI office in October as part of the designation process. The Early Childhood Advisory Committee will meet on August 31st 11-2:30pm at Henry Co ISU Extension to review and provide feedback for the final EC Plan 2022.
