Corporate Partners & Section Members

Section Chairmen's Message:

2015 has been an exciting year for the Acadiana Section of the American Society for Non-destructive Testing. Our Section's development and growth is amazing and it is all due to your hard work and dedication.

It takes a lot of motivated people to keep a section moving forward and we have a terrific group working on our board and committees to bring our membership the very best experience. We invite each and every member to come out and join your peers at our meetings and social events.
