Price Increase

We have tried very hard to keep the prices we charge stable, but unfortunately, inflation eventually gets us all. Starting October 7, fish fries will increase from \$12 to \$13. Tuesday dinners will remain at \$10, but a house salad, if you want one, will be an extra \$2. Our Sunday breakfast buffet will stay at \$10 and the menu and format will not change at this time. Though the price of food is becoming outrageous, we are doing our best to keep the costs down and still serve quality food, properly prepared, for a reasonable price.

Our meals are on a first-come, first-served basis with the fish fry being drive-through, Tuesday Dinners dine in/take out, and Sunday breakfast buffet being dine in. We don't accept orders over the phone during mealtime. However, if you call before 3 pm and use your credit/debit card to pay, we will hold your meals until you come to get them.
