Having an experienced attorney when you need one may cost less than you think.

Navigating through some of life's important moments such as buying a home, creating a will, or defending a civil litigation matter can be overwhelming, especially if you can't find an attorney that meets your needs or your budget. Now you can take advantage of MetLaw[®], a legal services plan from Hyatt Legal Plans, a MetLife company, to get convenient access to comprehensive legal services at an affordable cost.

Your choice of experienced attorneys.

With MetLaw, you can access a network of local credentialed participating plan attorneys who have an average of 25 years of experience. You can also choose to work with an out-of-network attorney and may be reimbursed according to a set fee schedule.¹

Low monthly cost for unlimited use.

No matter how many times throughout the year you use the services of a participating attorney for covered legal matters, all you pay is your monthly premium, no co-payments — no deductibles. **For the same cost as finding an attorney on your own for one legal matter**, you get full service on an unlimited number of the most common personal legal matters by telephone or in-person regardless of how long it takes.

¹ You will be responsible to pay the difference, if any, between the Plan's payment and the non-Plan Attorney's charge for services. Contact us for a complete fee schedule.
