

Association of Texas Soil and Water Conservation Districts

1497 Country View Lane • Temple, Texas 76504-0658 • 254-778-8741

October 8, 2018

To: Chairmen of Texas Soil and Water Conservation Districts

The quota statement from your Association for the 2019 fiscal year (September 1, 2018 – August 31, 2019) is enclosed. The total assessment for FY 2019 is **\$675.00**. Your Association Board of Directors appreciates the support districts have shown in the past and we hope you will continue to actively be a part of your Association. We recognize our responsibility to use the funds wisely and every effort is made to justify your trust.

Your payment of the full assessment of \$675.00 allows the Association to carry out the many activities and programs established by districts to promote soil and water conservation and educate the general public about the need to protect our valuable natural resources. This also provides the financial basis for the three different agreements we currently have signed with NRCS. This includes the 555 Program and the Travel Scholarships that both go to directly support districts.

Your financial support allows the Association to continue our efforts to inform our local and state and federal officials of the funding needs for conservation programs. Districts are truly leaders in conservation and we look forward to continuing to tell our story.

We make every effort to use our resources wisely. We are constantly looking for ways to improve our efficiency. Each area of funding on the enclosed categorized statement is important and provides a means to promote and support various areas of your Association.

If possible, we request that you contribute a minimum of \$100.00 of your \$425.00 quota from your **Trust Fund**. We make this request to assure that certain expenditures of the Association cannot later be challenged or questioned as being improper use of state funds.

To assure proper credit, please fill out the form at the bottom attached of the statement and return it with your check. Please keep in mind if you choose to participate in the 2019 Conservation Awards Program, this contribution (**\$50.00**) must be paid from **Trust Funds**.

Your financial assistance is greatly appreciated.

Volney Hough
President
