

Hiking Guidelines

The following rules are meant to minimize the risk of infection during Club hikes, but no rules can guarantee that infection will not occur, so it is each member's individual responsibility to decide to participate or not. The Club does not imply or guarantee the safety from infection of any hike participant. The Cyclonauts, at the discretion of the Board, may modify these rules or shut down group Hikes with no prior notice if problems should arise.

1. Do not attend a hike if you are experiencing any symptoms of the Covid-19 disease
2. Hikers must maintain six feet of separation between them.
3. Masks are mandatory when hikers cannot be six feet apart.
4. No car spotting allowed on hikes. Loop hikes only.
5. Hikes are limited to 10 participants. Interested participants must email to spfldcyclonauts@gmail.com to sign up by Thursday prior to each hike. Slots will be filled on a first come, first serve basis. If more than 10 people sign up for a hike they will be notified that the hike is full.
6. Carpooling is discouraged.
7. No group breakfasts or lunch gatherings before or after hikes.
8. Dogs may be welcome depending on location.
9. If a registered hiker needs to cancel their participation, they should make a courtesy call to the hike leader so that someone else can use their spot.
