Austin Interpretation Version: 5th Trumpet Summary

The apostasy of the Christian Church led to image worship obscuring the heavenly mediation of the Holy Spirit. This brought divine judgments in the form of the rise of Islam (King of the South; Daniel 11) which rose up to destroy the apostasy while sparing those who worshipped God according to Scripture.

Austin Interpretation Version (AIV):5th Trumpet Present Truth

Today's world is filled with darkness and chaos and is in need of the outpouring of the Holy Spirit. Satan has darkened minds to the Gospel of Jesus Christ and the wooing of the Holy Spirit. Islam continues to refuse to compromise with apostasy in the Christian world. Those who put their faith and trust in God have nothing to fear.
