Keep up the good work Miss Teen Tours!

This is what we know, mentoring programs assist in the healthy development of young people. According to Youth.gov, mentoring is often one component of a program that involves other elements, such as tutoring or life skills training, and coaching. The supportive, healthy relationships formed between mentors and mentees are both immediate and long-term and contribute to a host of benefits for mentors and for mentees.

MISS TEEN TOURS

To my ***Dynamic Diva Directors and the entire support team***, words just cannot express how I truly feel about you. You have been instrumental in helping continue the magic of the Miss Teen Tours Mentoring Program. It has been a quick summer with lots of challenges, but we're here. You're here. You did it. I am so proud of each of you, and I want to take this time to say,

"Thank you for your continued belief in the VISION of Miss Teen Tours and the fundamental components of Character, Service, Education, and Culture."

When they ask how we did it, be sure to tell them,
"WE DID IT TOGETHER!"

Your commitment to ***strive for excellence***, your willingness to forge your way by ***setting new standards***, and ***taking the challenge*** models the essence and intent of the program and continues to leave me speechless.

You are amazing! You are women of Purpose. Because of your service and commitment to your girls, they have gained a wealth of priceless mentoring TIME—and they WILL remember this moment in time—FOREVER! That's right! The memories of the Girls of Purpose 2019 Tour, will forever be etched in their minds. I know! I have witnessed it within those of you who have returned to give back what was once poured into you many years ago.

To our reigning Accelerated Tour *Royal Queens Tremaya Jones, and Morgan Jefferson*, thank you for your service during the last year. WOW! I know! It seems like it was only yesterday when both of you were crowned Queen. You are amazing young women, and we love you dearly. We look forward to continuing our work with you as liaisons for the Jr. Miss Teen Tours, and the Sr. Miss Teen Tours Accelerated program.

Lastly, but most certainly NOT least, thank you PARENTS for your weekly and weekend commitments for your daughters. Thank you for helping them complete their VERY ACCELERATED Miss Teen Tours commitment by NOT quitting until the work is done. TONIGHT is the NIGHT!

Many blessings to you and your daughters.

You know what, I'm just thankful to God for everyone that is reading this right now. To YOU, THANK YOU for your contribution to the success of this program. YOU ROCK!
