How We Can Help You

- **We are a one-stop resource service** for all housing assistance in Kitsap County, including shelters, rental assistance, and landlord referrals.
- **We maintain a community-wide waiting list.** If no space is available for the shelter you are seeking, we will place your name on the waiting list and let you know as soon as it or other appropriate shelter is available.
- **We provide transportation assistance** to help you get to the referral site or shelter that you need to reach.
- **We work with local landlords** to increase access to housing, especially for individuals poor credit history or criminal records.
