**2017 Maintenance Agreement and Chemical Package Order**

OASIS POOL SERVICE, INC. will maintain the pool on a weekly or bi-monthly basis as specified by the customer. Either option includes the following:

Pool will be vacuumed, skimmed and brushed. Skimmer baskets and pump baskets will be emptied. Tile will be brushed and cleaned as needed to avoid build up. Filter system will be backwashed as needed. Pool chemistry will be tested and adjusted. Neither option includes chemicals. Customers chemicals will be used if available, if not chemicals will be added and billed additionally. Chemical packages are available and discounted to help economize the service. If ordered, they will be delivered at the first maintenance visit.

_____	Weekly Maintenance Service (season pricing)	\$ 90.00 per visit
_____	Bi-Monthly Maintenance Service (season pricing)	\$100.00 per visit

**CHEMICAL CHECK SERVICE: (New for 2017)** OASIS POOL SERVICE, INC. will test the pool chemistry and adjust the water balance according to the chemical demand. System will be checked and backwashed if needed. Chemicals will be added and brushed into pool water. **NO VACUUMING OR ANY CLEANING SERVICE WILL BE DONE WITH THIS OPTION.** Customers chemicals will be used if available, if not chemicals will be added and billed additionally. Chemical packages are available and discounted to help economize the service. If ordered, they will be delivered at the first maintenance visit.
