A MESSAGE FROM CHRYSALIS FLIGHT #62 LAY DIRECTOR

Dear Emmaus Family,

The verse selected for Flight #62 is Colossians 3:2, "Set your minds on things above, not on earthly things." It has been my prayer during the months leading up to the Flight that this would be our heart's desire, that we would be able to see everything in light of eternity. For when we have an eternal perspective, so many things of this earth come into focus and we can see our circumstances as just a part of our path to our heavenly home. While I cannot wait for the giggles, late night talks, prayers, and awesome outdoor showers, I am most excited to see a transformation in all of our hearts as we set our minds on things above.

It is an honor to serve as the Lay Director for Chrysalis Flight #62. It is an honor not only because I get to serve my Savior, but also because of being able to serve the caterpillars that are anxiously waiting an intimate experience with the Lord. I have always been in awe of how quickly young people allow the Holy Spirit to guide them into worship and before the throne. While I pray that these caterpillars learn so much about the love of the Body of Christ, I know that I will ultimately learn so much more from them.

DeColores!

A MESSAGE FROM CHRYSALIS FLIGHT #62 SPIRITUAL DIRECTOR

I went on my original Chrysalis flight at the age of 15 (nearly 20 years ago). I was so awkward and I was painfully shy, but Chrysalis had a way of helping me break through those barriers. By the end of that weekend I felt like I had known the guys at my table my whole life. I also felt, at the end of that weekend, like I could enter into the presence of God much faster and more intensely than I ever had before because of the way that I had encountered Him there.

After my original flight, I sought to work and be a part of as many other flights as I could. I grew so much, both personally and spiritually as I participated in Chrysalis through the years. It is not a stretch by any means to say that Chrysalis is part of the reason that I am a pastor today. It helped me gain confidence in my faith, comfort speaking in front of others and provided rich worship experiences before God.

What a privilege it is to think that each of us on the team and each of us who pray for Chrysalis Flight #62 might have a tiny part to play in forming a new generation of young ladies into leaders for Christ in the church and in the world. This flight might help them break through barriers in their own lives. It might also give them an opportunity to encounter our glorious God in a way that they have never experienced Him before. See the depth of love and grace the Father has given us!

May God bless you and fly with Christ,
Michael Cobb

MESSAGE FROM OUR CHRYSALIS COMMITTEE CHAIRMAN

Six years ago something happened that made a huge impact on my life and I don't mean my Emmaus walk. I'm talking about Chrysalis. When my Emmaus table leader, Todd Deaver, approached me about serving on a Chrysalis flight, I had never heard of it. Granted my walk had been about a year before, so I wasn't really familiar with Emmaus either. Since that time the relationships I have built serving in the conference room and in the background have blessed my life and my walk in ways that I couldn't imagine.

For those of you that are not familiar with Chrysalis, it is an Emmaus weekend for young men and women that are 15-18 years of age or have completed the 9th grade. The weekend itself is very similar to an Emmaus walk with a few differences. First off the whole atmosphere, both in the conference room and background, is a bit more relaxed. Hey, we are dealing with teenagers here. The talks are basically the same though they have different titles. The caterpillars (what the Chrysalis pilgrims are called) do get two talks not given on an Emmaus walk. The Single Life and Marriage talks are given by a Christian single and couple and give the caterpillars not only an opportunity to listen but to also ask questions about living as a Christian single or married couple. The Candlelight service is different in the unique way communion is held and that's all I'm going to say about that. If you want to know more come to Candlelight! Serenade is different in the fact that it is not a community wide activity but a special program for the caterpillars and conference room team on the last morning. Closing is a the same as on an Emmaus walk with the exception that, instead of just the Emmaus community, the parents of the youth are allowed to attend regardless if they have been on a walk or not. This gives them a chance to see the change in not only their child but the affect the weekend has had on all participants. Hopefully it will encourage them to take the steps to going on an Emmaus walk themselves.

I'm looking forward to the upcoming flight to see the impact on another group of on young women. Shay Baugh, the Flight Lay Director, has assembled a super team. This will actually be the first girls' flight held in a church venue instead of at Camp White Water and I'm excited to see what God has in store! Thanks to everyone for their support for Chrysalis and please be in prayer for the caterpillars, team and workers on flight 62.

Fly with Christ!

Toby

IMPORTANT MESSAGE

It has come to our attention that we have many of our Central Alabama Community members coming to work at the camp but failing to sign the work area sheet for the area they choose to work in. As you know, Emmaus is all about progressive servant hood. In order to "progress", we need to know you have worked an area. You work an area, and then you are qualified to co-chair an area. You co-chair an area and then you are qualified to chair an area. Once you have done that, your name is placed on the team selection list for you to be considered for selection to work in the Conference room. If you do not sign the work area sheets, we do not know you were there and your work information is not entered in to our data base. If you don't see the sheet, ask the chair so you can sign it. Please help us keep up with your service by signing the work area sheet.

Chrysalis offers spiritual renewal to young people through a 3-day experience and follow-up and is a division of the Upper room and the Emmaus community.

Chrysalis "Flights" (for 10th through 12th graders) and "Journeys" (for young adults, ages 19-24) are three-day events. This three-day spiritual renewal time provides an opportunity for you to learn more about faith, to experience Christian love and support, and to make new faith commitments. The point is to inspire, challenge and equip you for a closer friendship with Christ and for Christian action at home, church, school, and community. [View a great information video here](#)
