See the back of this sheet for a general listing of items we can provide to you.

DUST COLLECTION

Filter cartridges
Filter bags
Timer boxes and boards
Diaphragm valves
Dust collectors
Hose
Floor attachments
Exhaust fans

VALVES

Rotary Airlocks
Rotary Feeders
Diverter valves
Slide gates
Roller gates
Butterfly valves
Ball valves
Check valves
Relief valves

CONVEYORS AND FEEDERS

Screw conveyors
Screw feeders
Roller conveyors
Belt conveyors
Conveyor accessories
Plastic Belting
Belting accessories
Bucket elevators
Vibratory feeders
Volumetric feeders

MATERIAL HANDLING

Bulk bag unloader
Bulk bag filler
Tote dumper
Drum dumper
Scissor lifts

INDICATORS

Level sensors
Proximity switches
Photo-eyes
Limit switches
Load cells
Platform scales
Scale indicators

LIQUIDS

Mixers
Pumps
Separators
Tanks
Metering system

PNEUMATIC CONVEYING AND BULK HANDLING

Tubing & pipe
Elbows
Couplers
Eductors
Inlet panels
Blower packages
Blower accessories
Sound enclosures
Railcar unload components
Truck unload components
Silo filling components
Silo fluidizer
Silos
Heat exchangers
Mixers
Lump breakers
Magnets
Pressure Receivers
Vacuum Receivers
Pick up hoppers
Filters
Surge bins

COMPRESSED AIR

Solenoid valves
Pneumatic cylinders
Vibrators
Bin aerators
Filter regulators
Lubricators
