Happy New Year

OFFICIAL PUBLICATION OF THE HOUGHS NECK COMMUNITY COUNCIL, INC. © 2017

JANUARY 2018 VOLUME 61 ISSUE 5

**Presidents Message:** New Year's greetings to all, even with the chilly start I believe this will be a great year for the Houghs Neck Community. The Community Council will be hosting a Blood Drive, February 20th. This is the second annual February drive made possible by Holy Trinity Parish allowing us to use the hall. Thank You Father Martin. If you are planning to donate blood this or next month please do so but mention the Houghs Neck Community Council. More information in the flyer below. Other activities this month include a **POLAR PLUNGE** on January 6, at the Maritime Center, sponsored by the Atherton Hough PTO. This is a great fund-raiser for the PTO and I urge anyone brave enough to take the plunge, help the school out, even if you don't want to get wet, make a donation to the this wonderful cause. The PTO will also host a Bake Sale inside the Maritime Center. On Saturday, January 27th the 9th Annual Quincy "Chili Bowl" Cook-off will be held from 1-4 pm at the Fellowship Hall of the Houghs Neck Congregational Church, 310 Manet Avenue (please note the time change from previous years). The cold weather is here, keep an eye out for a neighbor that may need assistance, Whether it is to clear a path in the snow, or to just check in on a regular basis to insure everything is OK. We also want to say thanks to the volunteers assisting with the Holiday Pop-Up Shop sponsored by Discover Quincy. During the 12 days the shop was open they had over \$21,000 in sales and just under \$750.00 of it was Houghs Neck Merchandise, I think the larger location helped even with the construction on Hancock Street. This was a great way to get our merchandise out for all to see and purchase. I'd like to say thanks and great job to the fifth grade students from Atherton Hough School for visiting the Seniors during their lunch at the Community Center just before the holidays. They entertained those in attendance with singing songs of the season. Speaking of the Community Center and the Senior program. Two days a week Cynthia prepares a nice home cooked meal for the group and all seniors are invited. After the meal stay and play cards, scrabble, and sometimes bingo. It is a great way to socialize with others that have the same interests, and the center is a warm place to be on these cold days. For more information call the center at 617-376-1385. Kathy and I wish all of Houghs Neck and everyone a Happy, Healthy, safe and Prosperous 2018 *Dave*

The fifth grade students from Atherton Hough School sang for the seniors.

## Houghs Neck Manets Final Season after 67 Years

For the last 67 September's the residents of Houghs Neck have seen the black and gold uniforms practice at Lebreque Field in preparation for their upcoming Quincy Youth Football season. This coming September sadly we will not. This will be the first time since 1951 the Houghs Neck Manets will not field a team. In fact the entire Quincy Youth Football league has come to end of a long continuous era. We say goodbye with a heavy heart to one of the proudest traditions the Houghs Neck Community has had. Going back to 1951.

The Houghs Neck Manets formed and joined The Quincy Youth Football league which already consisted of the North Quincy Apaches, Quincy Point Panthers and the West Quincy Elks.

When the Manets were formed it took some financial funding for equipment and uniforms. One of the donations to start the team came from then Senator John F. Kennedy. According to the Quincy Youth football website it didn't take long for the Manets to have success. They won the City Championship in 1954, 1970, 1988, 1990, 1991, 1996, 1997, 2002, and most recently 2016. A few of those years that stand out were the undefeated 1988 Team

2014 Freshman Championship Coaching Staff all smiles after their victory. Pictured From left to right Roland Dubois, Jose Diaz, Kevin Gomez and Darnell Tomer

Coached by Head Coach Jeff Little, Steve Craig and Dan Morrell. The 1991 undefeated team coached by Head Coach Little, Morrell and Dana Pringle and the 2016 undefeated team coach by Head Coach Mike Flavin, Howie Chadbourne and Kevin Gomez. Over those years the Manets have had many great players. Some of the standout players were 1986 league MVP Mark Bogan, the late Mike Kane, Tommy Morrell, Mark Giordani, and two time league MVP 2015 and 2016 Isaiah Steinberg. Steinberg also holds the record for the most touchdowns (27) in a season. The Manets also have had two coaches that won Coach of the Year of the entire league Jeff Little won the honors twice; once in 1987 and also in 1989 and Mike Flavin won the honors in 2015. The Manets ended their final four seasons on a positive note. Three out of the last four years the Manets played in the Championship Game under Head Coach Mike Flavin.

In 2014 Quincy Youth Football introduced freshman tackle football. Freshman are made up of kids 10 and 11 years old. The Manets had

immediate success with this newly formed program with former Manet player Kevin Gomez coaching the team along with Jose Diaz, Darnell Tomer, Roland Dubois and Terry Bowman. Gomez had his team not only undefeated that season but the team never let up a single touchdown. They went on to win the first Quincy Youth Football Freshman Championship. Players that lead that team were Mike Cascarano, Max VanTassel, and team captain Andrew Engren. This year the freshman team also ended the Manets era on a positive note. Coach and franchise holder John MacNeil coached the 2017 team to a winning record and MacNeil's Quarterback Mikey Galligan broke the freshman record for touchdowns scored in a single season.

The Manets were also known for their flag football program and of course their cheerleaders. The cheerleaders had a team for all levels Freshman, Junior Varsity and Varsity. The cheerleading program was second to none. The Cheerleading program was coached by former Manet Cheerleaders returning to give back to the program and help teach the next generation. Kerry Luggelle, Kaylee Prisco, Kim Fallon, Sue Rheault, Elise Hamel, Erin Fallon, Natalie Chenette, Rachel Beck and Jackie Kane are just few of the many that coached throughout the years.

The team is run by a Franchise holder. Over the years the Manets

2014 Manet Cheerleaders perform at halftime of the Championship Game

have been fortunate to have such dedicated Franchise Holders. Going back years ago Chuck McDonald took over the team in the early 2000's from The Morrell family. McDonald

### WINTER BLOOD DRIVE

To all our faithful donors,

The Houghs Neck Community Council would like to invite you to join us for a Winter Blood Drive, on Tuesday, Feb. 20th, 2018 from 2:00PM ~ 7:00PM at St. Thomas Aquinas Hall, Houghs Neck. We will have plenty of homemade goodies. Hall is handicap accessible. Everyone that visits to donate **MUST** have at least one form of Identification ie; Drivers License or a passport. **If you arrive without an ID you will be turned away. Appointments are highly recommended but walk-ins are very welcome. After you make your appointment you can pre-register and answer the health questions with rapid pass at the redcross.org site. Please call 1-800-RED-CROSS (1-800-733-2767) to schedule an appointment. ATTENTION:** The American Red Cross is closely monitoring the Zika virus. We ask you not to donate if any Zika virus risk exposures applies to you. We are asking you to return to donate blood 4 weeks after your last risk exposure. All other eligibility requirements still apply.

*Eileen Timcoe event coordinator 617-479-4107, 617-481-9153, etimcoe@yahoo.com*

### Sympathy and Condolences are extended to the friends & families of

**Waymon O. Giggey Jr.**, age 87, passed on November 29th. Born and raised in Maine and later moved to Quincy. He served in the US Marines from 1952 - 1953 and served in the Reserves until 1960. Waymon was an auto mechanic. He was a member of the Houghs Neck Congregational Church where he served as a Deacon, Cubmaster, Webelos Leader and a committee member for both Pack and Troop 6. Waymon received the Pop Josselyn Award for all his years of service with the Scouts. He was an avid golfer after learning the game at age 65. Waymon was preceded in death by his parents, Waymon and Eunice Giggey; sisters, Shirley May, Lorraine Rachel, Charlotte Louise and Eleanor May; and brother, Delmar Joseph. Survived by his wife of 66 years, Mary Elizabeth Chase Giggey a daughter, Sheena Curley and sons John, Stephen and Joseph. He also has 5 grandchildren and 2 great-grandchildren. A memorial service will be held at a later date at the Houghs Neck Congregational Church, 310 Manet Ave. Quincy, MA. 02169. Memorials may be made to Houghs Neck Congregational Church.

**Josephine (Kudarski) Jo Walsh**, died December 1st. Jo loved her family, her faith, and animals. She enjoyed boating to Peddocks Island where she discovered the oldest Indians remains ever found and they are now displayed at Harvard University. She also enjoyed sewing, decorating, and gardening. Jo was a nurturing woman and the caretaker for many members of her family. She will be greatly missed by all who knew her. Wife of 66 years to Elmer J. Babe Walsh. Mother of John Walsh and Joan Olinto. Grandmother of 5 and great grandmother of 5. Sister to John Sonny Kudarski. Donations may be made to Dwyer Home, c/o Activities Department, 25 Stonehaven Dr. Suite 1, Weymouth, MA 02190.

#### January will bring two supermoons, a blue moon, & a total lunar eclipse

Visible supermoons—full moons that appear when the moon is at its closest orbital point to Earth—aren't very rare. Having three in a row certainly is.

And that's exactly what astronomy fans are being treated to this winter.

The first supermoon appeared when the moon swung by Earth 26,500 km (approximately 16,500 miles) closer than usual on Dec. 3. It will reappear as a visible supermoon on New Year's Day 2018 and again on Jan. 31.

Visible supermoons appear 14% bigger and 30% brighter than full moons that occur at the farthest point in the moon's orbit. If you only have time to catch one episode of the trilogy, NASA recommends catching the last one, which will be extra special.

Not only is the second full moon of a month considered a blue moon, the Jan. 31 supermoon will also feature a total lunar eclipse, with totality visible from eastern Asia across the Pacific to western North America. During the eclipse, the moon will slowly lose its brightness and take on a reddish hue because of the way the atmosphere bends the light, says NASA. As a result, totally eclipsed moons are sometimes also called "blood moons."

*When can I see the lunar eclipse?*

On the night of Jan. 31, the lunar eclipse will begin at 11:48am UTC and reach its maximum at 1:30pm UTC. That means viewers who live in eastern North America will need to wake up early to catch the partial eclipse.

*Info from www.qz.com check it out*

### Memorial or Honorary Donations

The "In Honor Of or Memorials" printed in the Bulletin each month are from your neighbors who give a donation. They may recognize a loved ones birthday, anniversary, wedding, birth, passing, letting a friend know you are thinking of them or any occasion. All donations are given to the Houghs Neck Scholarship Fund. On June 20, 2017 the Scholarship committee presented \$9250.00 to 3 High School Seniors and 8 College Students continuing there education. Since June, 1964 they have presented \$249,325 to brightest students from Houghs Neck. You may honor a loved one or friend by placing a memorial or in honor of, with a donation. Please send a request to David DiBona 45 Turner Street, Quincy MA 02169.

The scholarship committee also has for sale the "Houghs Neck History" book for \$10.00. Available at E & T Ceramics or by calling 617-479-4107. *The future of Houghs Neck thank's you in Advance for your Generosity.*

## HOUGHS NECK GARDEN CLUB

The New Year at the Houghs Neck Garden Club begins on Wednesday, January 3, 2018, with member Cynthia Lewis recreating her stunning arrangement for the 2017 Art in Bloom at the Museum of Fine Arts.

The following meeting on Wednesday, February 7, 2018 will be a movie night with the showing of "SEED: The Untold Story." Many irreplaceable seeds are nearing extinction, and this movie tells the story of how passionate seed-keepers wage a David and Goliath battle against chemical seed companies, defending a 12,000 year food legacy.

Both meetings will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm.

Future programs at the HNGC include the following:

March 7, 2018 – Functional Landscaping presented by Sam Monkhern.

April 11, 2018 – Combined Annual Meeting of the three Quincy Garden Clubs to be hosted by the Seaside Gardeners of Squantum.

May 2, 2018 – Boston's Gardens and Green Spaces presented by Meg Muchkenhoupt.

May 23, 2018- Plant Auction.

See future issues of the Bulletin or the HNGC website for venues and further details.

The Club is a member of the Garden Club Federation of Massachusetts and National Garden Clubs, Inc.

Find out more about us on Facebook and at our website: <http://hngc123.wix.com/houghsneckgardenclub/>.

HOUGHS NECK CONGREGATIONAL CHURCH  
Pastor. Steve Vandergrift  
Sunday Service 10:00am  
Fellowship Coffee Hour following Service  
310 Manet Avenue ~ 617-479-8778 www.hncong.org

**From Paster Steve:**

Dear Friends, I hope the time you shared with family and friends this past Christmas was a rich and warm experience and that you started the New Year anticipating an abundance of blessings.

I've shared with my congregation that I can honestly say that my first Advent and Christmas in Houghs Neck has been a wonderful experience. Though the season moved along more speedily than I would have liked, it was, nevertheless, full of joy. During the season, Breakfast With Santa was just one of the gifts our congregation offered to the community. I was impressed with the number of parents, both members of the church and guests, who expressed their appreciation for Houghs Neck Congregational Church. It was another example of how churches in Houghs Neck are truly beacons of light for the community.

Across this Advent season, we were invited to wait and watch anew for Emmanuel, God incarnate in the Christ child in our midst. We heard the scripture texts announcing, "The messiah is coming! Wait... watch... prepare the way of the Lord!"

Our prayer at HNCC for our community in 2018 is that indeed you have "prepared the way" for your family to receive and to share all

the goodness God has given us that abounds around us. It is there! If you don't seem to be receiving it, then give it! Random acts of kindness and goodness are blessings in themselves for all that give them. Try it!

We trust that the hustle and bustle of December did not overwhelm you, and that you are ready to January and the New Year. The Roman god for whom January is named, had two faces: one that looked behind to the past, and one that looked forward to the future. The God revealed in Jesus of Nazareth invites all of us to set aside the past, while remembering and cherishing its moments of goodness, and look forward to a future of new hope, trusting that God will continue to inspire within us that rebirth of wonder, which was the meaning of Christmas, a gift give to each of us...and to our world.

We're looking forward to our Belfry dedication after our worship service on January 21st, and our Chili Cookoff on Saturday the 27th. Come join us!

*Pastor Steve*

from page 1 MANETS

ran the team until 2013 when Bill Luggelle took over. At that point The Manets were struggling on hard financial times, old equipment and losing seasons. Luggelle with vision brought the Manets back to success with new uniforms, extensive fundraising, hard work, dedication and adding all new coaches. Luggelle added Head Coach Mike Flavin, Howie Chadbourne, Dana Pringle, Kevin Lynch, Greg Santoro, Steve Bonica, Roland Dubois, Jose Diaz, John Macneil, Darnell Tomer, John Fahey, Steve Orseno, Jason Cannon, David Mellyn, and kept on only one current coach Kevin Gomez. In 2016 Luggelle passed on the Manets to John MacNeil. By then in the four short years the Manets had winning seasons at all levels of football, and their cheerleading program was excelling and won the annual city cheer showcase competition in 2015. MacNeil kept the Manets rising with success. Under MacNeil the Manets brought home the 2016 Championship known as the "Founders Cup". The Manets are more than a football

team in Houghs Neck. They are what Houghs Neck stands for. Hard work, dedication, unity all done by volunteers. Volunteers who care for their community.

The Manets have a slogan "Once a Manet always A Manet" If you hang around Houghs Neck long enough you will be sure to hear that slogan. The kids of Houghs Neck over the past 67 years are certainly better football players on the field and better people off the field thanks to the Manets organization. We thank everyone who has been associated with the Houghs Neck Manets over the years. There's just to many name. You certainly will be missed.

The Quincy Youth Football is forming into two teams next year. The North and the South. They will play in the Bay State Youth Football league. More details to come as we get them. For now thank you Manets and good bye.

2016 Franchise Holder John MacNeil and Head Coach Mike Flavin rise up the Winning trophy's after defeating the North Quincy Apaches in the 66 th QYFL Championship Game.

2015 League MVP and Manets all time leading scorer Isaiah Steinberg and 2015 Coach of the Year Michael Flavin accept the awards from the league at the annual All Star Game.

2017 Manets Freshman Quarterback #1 Mikey Galligan gets the play from Coach John MacNeil. Galligan finished the year with the most touchdowns scored by a freshman player in league history.

The 2016 Manet Championship Team shows respect on September 11, 2016 on game day. Team Captains holding the flags high in the air # 87 Kevin Gomez and # 6 Isiah Steinberg

Once a  
MANET  
always a  
MANET

Top Producer 2017

Congratulations  
Julie Berberan

**Red Door Real Estate**

Proudly Welcomes  
Brooke Galligan to  
Our Team

Red Door Real Estate is pleased to announce that our sales team of professional agents

continues to grow. We are proud to welcome Brooke (Bergstrom) Galligan to the team. Brooke was born and raised in Quincy and has deep family roots in Houghs Neck. She is a graduate of Quincy High School and is a proud mother of two, Beau and Amelia.

Before joining the Red Door team, Brooke previously worked for the City of Quincy as a Clerk for the Water Department. She went on to work in the legal field as a paralegal.

Like many Houghs Neck resident's Brooke loves being by the ocean and is also a certified scuba diver. Brooke's professional background and local knowledge compliment her hard work, enthusiasm, and sharp attention to detail to help buyers in a focused search for their new home and to help sellers get the most value for their current home. Red Door is excited to have Brooke as part of our team. Brooke looks forward to meeting and exceeding your expectations whether you are buying or selling your home. You can reach Brooke at Red Door Real Estate located at 222 Sea St, or call (617) 553-1880.

I hope the holidays were happy and safe for you and your family. The Legislature will be starting formal sessions after the start of the New Year. Under the Legislature's Joint Rules, the majority of committees will have to report action on legislation by the end of the first week of February. The House and Senate Chairs will have to work with their committee members to determine what action to take on legislation. January promises to be a very busy period.

The Governor signed into law Chapter 138 of the Acts of 2017, which expands on the current mandate requiring schools to use Sheltered English Immersion (SEI) as the default English learner program model. This gives schools the flexibility to establish programs based on the diverse needs of their students. School districts can continue under the current educational model or choose to implement an alternative instructional program that may more effectively meet the unique needs of their student body. Any new programs would be required to meet federal and state standards. The law also increases parental input in the program by expanding the role of Parental Advisory Councils and allowing parents the flexibility to choose programs that best meet their children's needs. The Department of Elementary and Secondary Education will develop guidelines and establish additional metrics to track student progress. Lastly, the law establishes a Seal of Bilingualism,

which is awarded by participating school districts to students who have attained a high level of proficiency in English and one or more foreign languages. Given the large number of English Language Learners in our schools, this will give our school administration, school committee and parents, greater flexibility in developing the best way to teach English to our multinational and multilingual students.

I had the honor of being a part of the first Massachusetts legislative delegation to the People's Republic of China. Majority Leader Ronald Mariano led the delegation of 9 House members on a ten-day trip to the capital of Beijing along with stops in Sichuan and Guangdong provinces. After a 13-hour flight, we were met with Beijing's equally cold weather and it wasn't until several plane rides and bus trips later that we experienced some mild 60-degree weather further south.

While in Beijing we met with the Deputy Director of the People's Republic of China Foreign Ministry and the Director of the Institute of World Economics and Politics. In each province, we met with our provincial legislature's counterparts. We met with the Vice Chairs of the Standing Committees and various committee chairs for the Sichuan People's Provincial Congress and the Guangdong People's Provincial Congress. Much of our discussion revolved around our similar local issues, such as traffic, water and road infrastructure, economic

development and environmental conservation. They were impressed that Massachusetts has chosen to comply with the Paris Accord's environmental information data sharing. The United States Constitution allows states a level of autonomy, which our counterparts were not aware of.

China is undergoing a changing economy, moving away from manufacturing to a commercial/service industry, very much like Massachusetts. The majority of jobs are located in urban areas. Technology, financial services and a continuously growing consumer market is the future of the Chinese economy. This also results in a rapidly growing cost of living, where housing prices are very high and consumer goods are becoming more expensive. With cities ranging from 3 to over 20 million people, traffic continues to be a massive issue. In Beijing for example, in an effort to mitigate traffic there is a limit on who is allowed to own cars and where and when they can drive. By visiting three distinct parts of China we were able to witness the outcomes of the various economic models the government has implemented in the different economic trade zones throughout the country. The Chinese government is employing different models to test which ones are most effective. There is a tremendous amount of building happening in Chinese cities in an effort to move China forward.

China is home to 1.4 billion people. The infrastructure of their health care system is similar to ours and their average age is close to that of the United States (approximately 37 years old). Like us, their projections show that the average age will not

decline going into 2020. Senior care, cancer, diabetes, and long term chronic illnesses reinforce the importance of preventative care at a younger age and the need for more medical research. They are working on combining traditional Chinese medicine and exercises with modern medical techniques to encourage preventative care.

China's largest telecommunication company is Huawei. The company is known for its cellphones and is projected to overtake Apple as the second biggest selling cellphone company in the world in the next five years. Huawei is heavily invested in telecommunications technology from telemedicine to new data compression technology. 5G wireless telecommunications is coming soon, which allows for greater speed bandwidth. Huawei has been collaborating with other technology companies in dozens of countries to create new ways to maximize consumer and industry use of 5G wireless. We visited Huawei and met with their Vice President of Global Public Affairs to learn more about Huawei's future and possible business ventures for Massachusetts.

Finally, the Wollaston MBTA Station will be closing on Monday, January 8th. The legislative delegation has been working with the MBTA to try and ensure as smooth a transition as possible. Shuttle bus service will be provided between North Quincy, Wollaston and Quincy Center MBTA stations. After significant input by the legislative delegation and constituents at the public meetings, the MBTA will be opening the commuter rail at Quincy Center to allow commuters to ride to South Station for the same fare as a T ride. If you have not done so, you can subscribe to the text alerts at <https://www.mbta.com/about-t-alerts> and to learn more about the project please visit <https://www.mbta.com/projects/wollaston-station>. Any questions, concerns, or comments regarding construction can be directed to the MBTA customer support phone line and email at 617-222-3200 and [wollaston@mbta.com](mailto:wollaston@mbta.com).

City of Quincy  
OFFICE OF THE CITY COUNCIL

Ward One Councilor Elect ~ David F. McCarthy  
1305 Hancock St.... Quincy, MA 02169  
617-376-1351 (office)

Happy Holiday's to all in Hough's Neck and Ward 1. It is honor to be able to write to the constituents of Hough's Neck as the new Councillor Elect for Ward 1. Before I get going I would like to wish all the best to Margaret LaForest as she moves on. Thank you very much for your service over the last 8 years.

As the New Year approaches I am prepared to tackle the issues that the neighborhoods addressed as well as many other issues that I came across this past summer. Many of you folks that I spoke with have similar concerns in Hough's Neck and outside of the Neck also. Over-development was a main topic. I am one that frowns on over-development within our neighborhoods, development needs to be where it fits in and must be monitored to a point when development seems to be everywhere. I think the Mayor has got a good plan on development within our city limits, but neighborhoods are a different story. I'm not against development but the changes have to be the correct development and I think the administration believes that also.

The Maritime Center will be re-looked. The community felt it was somewhat left out so we need to re-visit that again and make sure we get what the community wants. I am definitely for a new facility as the funding process has led us to a good situation (State funding), but we need to get a few more designs that might fit the landscape of what we are used to at the Public Landing. Our Marine unit needs that facility and tools to operate properly in 2018 and on. The facility also needs to be able to support small events, HNCC, Summer-time events, etc. These are just a few thoughts but more deliberation will occur in the weeks ahead.

The Seawall program will continue but also be re-looked by myself in order to get up to speed on the entire survey. Manet Ave needs attention as well as other sections. What is on the plate today which is the Willows to Chickatabot Rd. will also get reviewed again.

Top to bottom review of the Snow Removal system for the Ward to include all schools is happening now.

The Flood zone issue is still out there and again I will be sitting with Woodard and Curran to make sure we are proactively involved so you can be updated.

Smaller issues but just as important need addressing: Speed Limit signs on Manet Ave,

Re-painting of all crosswalks in the Ward, Brill Field restoration, Chapel Street Park restoration/cleanup, blighted property issues, and overall understanding when and how we can get streets like Winthrop Ave and others streets paved correctly.

I am very proactive having been sitting with city officials already getting an understanding on who does what. I am very familiar with the city departments and their personnel.

I sit with the Mayor regularly to make sure you folks get what you want or understand why it can't be done. Communication is everyone's friend. I plan to be involved just as I was on the School Committee, making sure everyone's needs are addressed.

I will be getting a new cell number in two weeks. My cell today is 508-259-6650 and my home number is 617-471-8811. Please don't hesitate to call but the cell number will be changing.

I also will be getting a city e-mail address. That will be out as soon as I get it.

Lastly my website has been up and down due to changes and enhancements. One enhancement will be an option for all to supply their e-mail address directly to me thru the website. A letter will be going out shortly to all constituents that want to stay notified of all events, incidents, issues etc. in the Ward. The letter will be very clear on how to proceed on the website to input your email in the site for my records.

Thank you and God Bless, have a wonderful New Year.

Dave McCarthy  
Ward One Councillor Elect

**IT'S OPEN ENROLLMENT TIME  
AND MANET IS HERE TO HELP!**

Manet's North Quincy practice site has received NCQA Patient-Centered Medical Home (PCMH) Recognition for using evidence-based, patient-centered processes that focus on highly coordinated care and long-term, participative relationships.

The NCQA Patient-Centered Medical Home is a model of primary care that combines teamwork and information technology to improve care, improve patients' experience of care and reduce costs. Medical homes foster ongoing partnerships between patients and their personal clinicians, instead of approaching care as the sum of episodic office visits. Each patient's care is overseen by clinician-led care teams that coordinate treatment across the health care system. Research shows that medical homes can lead to higher quality and lower costs, and can improve patient and provider reported experiences of care.

To earn recognition, which is valid for three years, Manet, North Quincy has demonstrated the ability to meet the program's key elements, embodying characteristics of the medical home. In 2014, all of Manet's Quincy and Hull sites attained recognition. They are currently in the process of applying for renewal, and Manet's Taunton site, which opened in 2014, is applying for its first recognition. NCQA standards aligned with the joint principles of the Patient-Centered Medical Home established with the American College of Physicians, the American Academy of Family Physicians, the American Academy of Pediatrics and the American Osteopathic Association.

The Open Enrollment period for anyone looking to purchase health insurance through the Massachusetts Health Connector or to make changes to existing coverage is **November 1, 2017 - January 23, 2018**. Manet's expert team of certified navigators are ready and able to assist individuals whether they need to extend coverage, make changes or apply for the first time.

Navigators are available by appointment by calling 617-376-3000. If your organization would like to host an Open Enrollment event for your clients or staff, please call 617-690-6323.

To complete your own application please call 1-877-MA-ENROLL (1-877-623-6765) or visit [www.MAhealthconnector.org](http://www.MAhealthconnector.org)

#### Don't Let the Flu Get You!

The best way to prevent seasonal flu is to get vaccinated every year and now is the time to schedule an appointment for your flu shot. The Centers for Disease Control and Prevention (CDC) recommends that everyone six months of age and older get a flu vaccine every season. It is particularly important for people who are at high risk of serious complications for influenza, including children younger than 5, adults 65 years of age and older, pregnant women, residents of nursing homes and other long-term care facilities and people who have certain chronic medical conditions.

If you're not sure if the flu shot is right for you, talk to your health care provider. Manet patients can call 617-376-3000 to schedule a flu shot.
