### LIBRARY

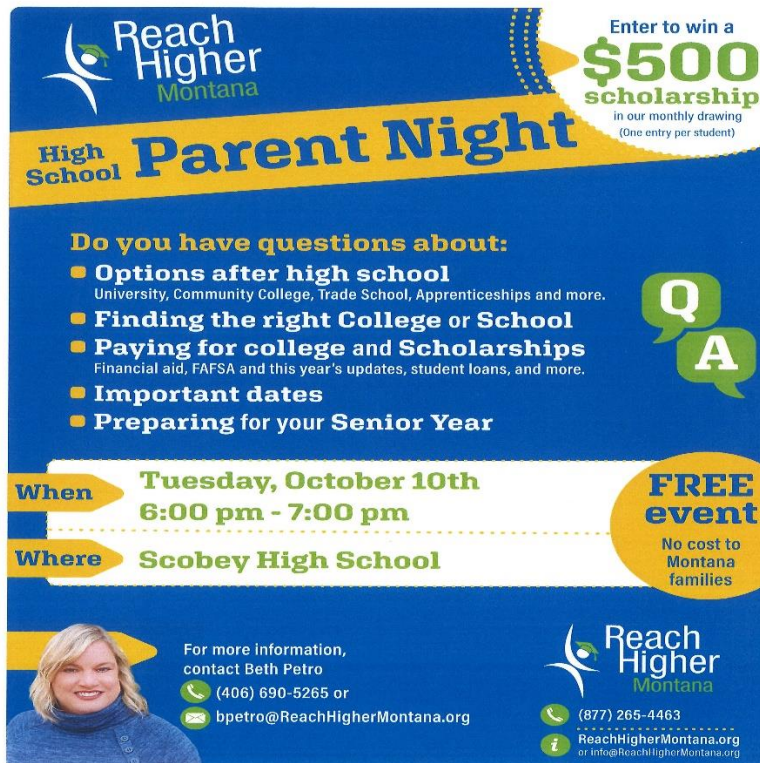

By K. Leibrand

#### Fall 2023 Book Fair

Hey Everyone! The Fall 2023 Book Fair is opening Monday, October 2 and continuing through Friday October 6th. It will be open up in the elementary library after school Monday - Thursday from 3:30-5:30. On Friday it will be open from 2:30-4:00. Come and look over the Scholastic selections. There are items available from preschool age to young adult. The proceeds go to purchase new library books. Come see what catches your eye! Thanks for supporting our library!

### COUNSELING CENTER

By R. Rask

## **7<sup>th</sup> ANNUAL SUICIDE AWARENESS/COLOR WALK/RUN**

By C. Wittak

Jobs for Montana's Graduates (JMG) has been partnering with local business and community groups to help organize this event. T-shirts have been sponsored by Nemont and Eastern Montana Health Coalition. Dorothy Holum has spearheaded volunteer efforts to secure the site at Pioneer Town for the run/walk, as well as organized the photo shoot area and getting the Powder ready for the run. LeeAnn Danelson has advertised and spread the word from the Daniels County Health Department and has helped to organize this event since its inception. Donations will go to Prairie Home Health and the Cornerstone Assembly Church. Pro Coop has donated water for this event. JMG students have also ordered Suicide Awareness Bracelets that give the message to "Be Here Tomorrow"! Mary Machart will be the guest speaker this year, sharing a message of hope and the project of "Kindness Rocks". All participants will be joining together to sign a large rock, which embodies the message that we are all in this together and to be kind to one another, it does make a difference. Thank you to all involved with this event. We anticipate about 150 participants and over 30 volunteers. This project continues to spread the message of hope and helping others.

## **COMPREHENSIVE FCS**

By C. Wittak

Students are beginning to make quilts. We will be partnering with the Quilting Group at the Lutheran Church on Thursdays to learn more skills and practice along with the experts in the community. Thanks to Marj Hersel for donating material for the projects, along with Tara Poitra and Alicia Sones for fabric and patterns.

## **CULINARY ARTS**

By C. Wittak

Students have been learning food safety skills. They have been helping with food prep for lunch, cutting up veggies and prepping the salad bar and fruits. They have been canning a variety of vegetables, beets, dilly beans, salsa, grape/crabapple/chokecherry jellies, as well as more in depth canning with homemade spaghetti sauce. We have made homemade crusts for peach and apple pies, along with apple crisp. We are making more apple pies with apples donated from Joan Gardner. Many people have donated jars for the canning unit - Thanks for the support for this program.
