

## AMCS Daycare September Newsletter 2018

**Happy September Everyone!**

We are glad to be back to our regular schedule and routine. We have a few announcements to make: We want to wish our Kindergartens the best on their new journey, we will miss you also very much and thank you for allowing us to teach you and grow with you the past few years.

A hello and welcome go to our new children and families in September! We welcome you all with open arms.

A new hello to our newest team member: Stacey. Stacey is our new Responsible Adult, and she is studying to become a fully licensed E.C.E. Please take the time to welcome her when you see her.

Our September theme will be Classroom Safety, and Fall. We will continue our trips to the libraries on Wednesdays and baking resumes every Thursday morning as well. Feel free to submit any recipes for us to try (easy peasey items please).

**Our new cut off time for drop off will be 9:30 a.m. – this is to allow all children to enjoy snack and circle time with their friends and teachers.**

**Our next field Trip will be in October to the Pumpkin Patch! Dates to be announced.**

To all parents, please remember if you have any concerns or any questions, please speak with Lindsie, the Daycare Manager. Thank You.

♥ Have a great September everyone ♥

Lindsie, Luigi, Kaddie, Subin and Stacey.
