GRIZZLY GRAVEL GRINDER

NEW FOR 2019!

We have added a gravel grinder class in each of the 100k and 75k distances. So, all of you gravel grinder enthusiasts, grab your gravel bike and come on up, test your skills, and crush this very challenging course.

This event is open to gravel bikes only. Let's keep it pure.

Both courses will be the same as our 100k and 75k Gran Fondos. It is a great mix of fire road and single track, with some technical mixed in.

Come out and challenge yourself at The Grizzly Gravel Grinder of 2019!
