

# Selected Student Evaluations

(Michael Lively)

Mr. Lively is the best aural skills/theory teacher ever. It's rare to find teachers that care as much as he does, and puts in as much effort as he does. He should be made permanent faculty.

It was a privilege having Mr. Lively as a teacher. He often went out of his way to explain theory concepts to us in addition to aural skills material. I hope to have him again.

Lively is the best Theory/Aurals teacher I've had thus far. I succeeded in the class due to his teaching style and methods. UNT would do well to have more teachers like Lively!

Michael is an extremely intelligent professor. I learned everything I could not last semester and feel confident about the new material. I am so thankful I had him for a teacher at UNT. He is also very professional but has a great sense of humor.

I have enjoyed this class a lot.

Also, I have a lot from this class.

Through Michael's help, I have developed my aural skills and

at the same time you made this class interesting.

Thank you

Mr. Lively is a very good teacher and I appreciated his effort in teaching us. He has a very clear and structured way of explaining concept and he is very understanding of each student's abilities. He is a remarkable teacher.

Lively Is The Best Aural Skills Teacher Ever.

I really enjoyed my time in Aural Skills with Mr. Lively. I actually learned something!

I really enjoyed this class. It helped that Lively went over all the tests and quizzes in class A LOT. He made sure we knew exactly what was expected of us, and made sure we understood and could do the material. I feel I got a lot better because of his help. A great teacher.

Best Aural Skills Teacher  
I've ever had! Great  
teacher!

This class really helped me improve my sight-reading and piano skills and I really appreciate the help.

Mr. Lively is the best teacher ever! I learned so much in this class. Mr. Lively needs to be a permanent teacher at UNT.

This has been my most successful aural skills class, thanks largely in part to the good teaching of Mr. Lively. I wish I could have had him in previous A.S. classes.

He is an excellent  
teacher that makes  
learning fun and  
also makes it stick.

I would double his  
salary if I were  
you.

Michael Lively is a great teacher because for once dental skills  
was not stressful to attend. I have a hard time being  
put on the spot and he was always willing to meet in  
his office hour and ~~enhance~~ practice skills. w/me.

Mr. Lively was a very good teacher and the thing that stood out to me most about him was his willingness to help people in and out of class. It was a good experience.

Mr. Lively is a wonderful teacher. His enthusiasm for the subject is far above the other teachers & is always nice & considerate. He is a great teacher & always tells us more than we need to make us feel comfortable.

Mr. Lively is the best Aural Skills teacher. He makes the class fun while we are learning. He is very thorough in his teaching.

EXCELLENT TEACHER, ENJOYABLE CLASS.  
- VERY AVAILABLE

Mr. Lively is a fabulous aural skills teacher. He makes the singing, piano, and ear training all relate to each other as well as to our corresponding theory class.

This is a great guy, who knows his stuff and is able to simply communicate the knowledge that we are supposed to learn in this class.

You were a great teacher... you graded things fairly & taught in a way that I could better comprehend the concepts!! 😊

BEST AURALS SKILLS CLASS

I HAVE EVER HAD. ENJOYED

THE CLASS AND ACTUALLY LEFT

HAVING LEARNED SOMETHING!

Mr. Lively is an awesome professor, he taught the class very well. He made you very interested in learning more than one way of understanding music. I believe he can make anyone love this subject. I really enjoyed this course. Thank you

Out of every aural skills class that I have taken, this one made the most sense - I give the credit to Mr. Lively!
